3. The offender, while in irons or otherwise attached so as not to injure him, may be moved from place to place, or on the march in any wagon, cart, or other vehicle. 4. Officers will take care that the above punishments are inflicted in such a manner as is not calculated to cause injury or to as is not calculated to cause injury or to rule, instead of helping the Government, only that and the punishment shall always be stopped or mitigated on the representation of the responsible medical officer that the continuance of the punishment will be prejudicial to the offender's health.

Mr. Symes' Visit.

Arrangements have been made for Mr. Symes, to visit Fredericton on the 27th, and deliver a lecture on the evening of that day. He will probably remain over the 28th, and drive to Maugerville and Kingsclear. The lowest Moujic to the field of the lowest Moujic to the field of the lowest Moujic to the field of the business is which Mr. Symes is engaged. No doubt the farmers are very busy just now, but they can very well drive in during the nour from work, and as the lecture will be for sale as the new reign of the most of them need not lose an hour from work, and as the lecture will be greatest influence at Court, and then into a preparing to extend their business to tan anufacture into leather, and then into a paid-up capital of \$400,000; to fence in a paid-up capital of \$400,000; to fence F. B. EDGECOMBE, hour from work, and as the lecture will be hour from work, and as the lecture will be free to all, they certainly have every inducement to attend.
