NOTICE.

Fredericton, May 17th, 1881

N undertaking the business, of which I have this day received a transfer from Mr. H. A Croplecy, I beg leave to state to the public that l am prepared to perform now, at shortest notice, all kinds of work that is usually executed in a First-class Bindery. By the addition of new and improved machinery to the already well equipped Establishment, the employment of an increased staff of workmen, and an enlargement of the premises generally, I feel confident that I THE COLLECTORS OF VOTES in the above Municipality are requested to attend to their duties at once, as money is required to pay the School Drafts. Queen and Regent Streets, where I shall be prepared to meet all the old patrons of the Establishment, and to accommodate new ones with work of a quality, and at figures, that cannot fail to give satisfaction.

# EYE RELIEF

Londonderry, July 22nd, 1880. Messrs, C. GATES, SON & CO. GENTLEMEN—About one year ago, I got sulphur in my eyes, and suffered very much with them, I tried doctors' medicine, but it did them

I did so, and one bathing cured them. Some time afterwards, my wife's eyes got sore, and she used it with the same effect. I gave some to a friend who had Erysipelas for years, and after bathing with it great benefit was derived.

I am, gentlemen,
Yours very truly,
F. S. DOYLE.
