Good Clip of Wool.

To the Editor of the Maritime Farmer : MR. EDITOR.-I clipped part of my floc of sheep last week, and I weighed 10 of the fleeces, 9 of them were from two year old ewes, having lambs, and one was from lbs., averaging 103 lbs. each fleece. wool was dry and in good condition. The breed is Leicester crossed with Cotswold. Who will beat it?

Lower Prince William, May 2, 1881.

the Editor of the Maritime Farmer : SIR .- The Capital of the 20th April contains a short article relating to the Mill property of Messrs. J. & J. McBean, at McCallum Brook, which is a gross misrepresentapaper has a Nashwaak correspondent, he is a It states that the Mill, which has been

free of any charge whatever." Now, Mr. Editor, in the first place there these houses, although liberal fellows enough

eighborhood did assist in getting out and grateful, but as the Mill will cost them about \$1,300 exclusive of the Dam which was built last summer, they are naturall indignant at the barefaced falsehood perpetrated by the Capital.

Yours truly, WM. MCBEAN. Nashwaak, April 29, 1881.

Maritime Farmer.

FREDERICTON, N. B., May 5, 1881

A Call to the Young Men.

should prepare itself for the struggle, and he believed the triumph of 1883. "Organize, organize, organize," was the watchword he gave out in almost wearisome iteration. He went so far as to counsel the young men of the Dominion, the clerks in the merchant offices and in the stores to band themselves together on liberal principles, to make politics their chief study, and to devote themselves to the interest of the party. And he selves to the interest of the party. And he properties the party of the party. And he properties the party of the declared that some of the principal merhemselves mentally, add to their intellectual BABBITT'S. who give themselves up to it, believe and of an armed soldier in his bedroom. the most effective weapon to gain it, is un-
