In ordinary Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergyman's Sore Throat, Asthma, Croup, and Catarrh, the effects of AYER'S CHERRY PEC-TORAL are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. which, as they contain no curative qualities, can afford only temporary relief, and are sure to deceive and disappoint the patient. Diseases of the throat and lungs demand active and effective treatment; and it is dangerous experimenting with unknown and cheap medicines, from the great liability that these diseases may, while so trifled with, become deeply seated or incurable. Use AYER'S CHERRY PECTORAL, and you may confidently expect the best results. It is a standard medical preparation, of known and acknowledged curative power, and is as cheap as its careful preparation and fine ingredients will allow. Eminent physicians, knowing its composition, prescribe it in their practice. The test of half a century has proven its absolute certainty to cure all pul-
