The annual exhibition of the Queen's Central Agricultural Society Society held their annual exhibition Basket vegetables, T. Watt, 1st, W. was held in their hall at Upper Hampstead, Quern's County, on Tuesday, the 11th inst. The morning was cold effect of keeping a good many away as the number present was not nearly as large as heretofore. Though the show of produce and fancy work in Plain socks, J, Giberson, 11st, D. the hall was not as large as on former occasions, most of the samples shown were good, Only three lots of wheat were shown, and the first prize was taken by Geo. McAlpine, weight 61 pounds. The show corn was small but of good quality; F. J. Purdy got 1st prize, Geo. McAlpine 2nd. The samples of oats, buckwheat and rye all looked well, as did the potatoes, turnips, beets, etc. There were ten samples of butter shown, only five of which were proclaimed first-class and the sum of \$10 was equally divided cheese was shown, also some from the Hampton Cheese Factory. The fruit On Wednesday, 11th inst., the annual show was the best in the building, S. show of the "Union" Society, of L. Peters, Esq., exhibiting a great King's Co., was held at Clifton, a pretty variety of very fine apples for autumn, little village across the Kennebecasis, fall and winter use. Amasa Merritt and Fox Brothers had some very fine The "Union" is one of our oldest apples, all showing that Queen's and most vigorous Societies, having County can raise as good fruit as can been organized thirty-two years ago. be found in the Prevince.
