Cathartic Pills

Combine the choicest cathartic principles in medicine, in proportions accurately aduniformity of effect. They are the result

of years of careful study and practical experiment, and are the most effectual remedy yet discovered for diseases caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. Ayer's Pills are specially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel or any injurious properties, and can be admin-istered to children with perfect safety. AYER'S PILLS are an effectual cure for Constipation or Costiveness, Indiges-tion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness,

Headache, Loss of Memory, Numbness, Biliousness, Jaundice, Kheumatism, Eruptions and Skin Diseases, Dropsy, Tumors, Worms, Neuralgia, Colic, Gripes, Diarrhea, Dysentery, Gout, Piles, Disorders of the Liver, and all other diseases resulting from a disordered state of the digestive apparatus. As a Dinner Pill they have no equal. While gentle in their action, these Pills are the most thorough and searching cathartic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing.
