Hon. Mr. Fraser, Attorney General, left for Boston, Tuesday morning, on what must prove a very pleasant errand. The Telegraph correctly says Mr. Fraser is one of the hardest working members of the Government and the Hon. gentleman feeling this himself, we suppose, has undertaken a little tour with the double object of securing needed recreation, but more probably, as this is a holiday, to smooth his oft ruffled political pillow and guide and advise him in state and domestic affairs. Mr. Fraser did not let the Editor of the Telegraph into all the plans for his trip, and so the former will audibly smile at his friend's excuses for the holiday. We are of the opinion that the Attorney General needs a wife as well as a holiday, and shall be glad to welcome him and his bride home a few weeks hence. Next Wednesday the 12th inst. will witness the nuptials, at the bride's home, of the Hon. gentleman and one of Boston's fairest daughters. The newly wedded pair will make quite an extended tour before returning to Fredericton, visiting New York, Niagara, and other scenic Canadian cities. In the meantime, Hon. Mr. Wedderburn is acting Premier. Telegraph please copy.

The programme of Monday was very faithfully carried out, and our citizens fully enjoyed the amusements provided on the occasion. The water was dull in the morning, which rather dampened the order of the Calithumpians, only a very few turning out. They were headed by the 71st Batt. Band, and passed through the city in the afternoon. Shortly after 9 A. M. the regatta was called on, and the several contests were well managed by the committee, with Mr. A. F. Stone, Referee, who was stationed on the tug Hiram, which was anchored off Sherman's Wharf. We give below the summary of the races:— The first race was the amateur four oars, which was contested by the Laverly-Edwards crew, and the big 4 crew, the former winning quite easily. The second race, which was the 1000 yds. race, was won by the crew of the Hiram, which was the most valuable and well worthy of a general circulation. The third race was the 1000 yds. race, which was won by the crew of the Hiram, which was the most valuable and well worthy of a general circulation. The fourth race was the 1000 yds. race, which was won by the crew of the Hiram, which was the most valuable and well worthy of a general circulation.

In the professional four-oared race two crews from St. John entered, one from Sand Cove, and one from Blues Rock, the former winning by several lengths. The canoe races for Indians excited much interest, and were warmly contested. There was a large gathering of people on the banks to witness the regatta. The 71st Band played a programme from a large attached to the referee's boat. At 2 P. M. the Athletic Sports were being on Queen Street, and there was a great rush to witness them. The prize winners in the several competitions were as follows:— Half-mile Race—Newall Francis, 1st, Arthur Jack, 2nd. 125 Yards Race—D. Howard, St. John, 1st, T. Shonick, 2nd. Three Mile Race—Newall Francis, 1st, E. Turnbull, 2nd. Potato Race—Beatty, 1st, Morecraft, 2nd. Standing Jump—H. Atherton, 1st, P. H. Gilmore, 2nd. Hop Step and Jump—Shenick 1st, Gilmore 2nd. Three Standing Jumps—Gilmore, 1st, E. D. Wilson, 2nd. The 71st Band played in front of the Post Office building. In the evening the Bonnet Hop at the Exhibition building was largely attended, and under Dr. Brown's management, proved a success. A very choice programme of music was furnished by the Fredericton Brass Band, and dancing was kept up spiritedly, till late hours. Altogether, the holiday was enjoyable, and was generally observed by the general committee of which His Worship the Mayor was Chairman, and Ald. Leigh, Secretary, deserve credit for their interest in the affair, and the several sub-committees attending to the details. There were very few outside visitors, although many were expected.

The report was received and the expenses incurred in telegraphing and tolling the bells, were ordered to be paid. It was moved that the City Treasurer be authorized to appoint collectors of taxes. Ald. Farrell moved in amendment that the policeman be appointed tax collectors. Ald. Macpherson, became wrathly at this, and said Ald. Farrell's motion was a scheme of the down town Aldermen, to bring discredit on the City, and he already had nearly every office in the gift of the Council. Ald. Farrell was willing to withdraw his amendment, if it was understood that the City Treasurer preferred appointing his own collectors. Ald. Macpherson then was informed by the Chair, that he had already spoken once. Ald. Macpherson continued, and was reported called to order by the Mayor, for using abusive language. The Mayor then stated that he had already spoken his last word, and the Council be so to assume its full and entire confidence. Order was shortly reversed, however, the Mayor exhibited his impatience in raising his voice to the policeman as collectors, and spoke briefly to his position. The original motion of the Mayor was carried, and the City Treasurer's own collectors were finally appointed by Council. The Council then adjourned, on motion of Ald. Wilson.
