Soe Manufacturers of Miller's Patent Shifting Rail. These Shifting Tops have no rival, as a glance at the cut will show for itself; it is so simple. It requires only one person to take it off or put it on, and when off no one would think a Top had been on, as no unsightly ends are sticking out. When the Top is on it is as firm as a rock. It can be put on any carriage in use. Persons ordering Buggies or Canopy Top Carriage; should see that they have this Rail, as it will be greatly to their interest.

These Tops were awarded a Diploma at the Provincial Exhibition in October, 1880

Particular attention given to orders. Repairing done in the best manner, and at the shortest notice Price List.—BUGGY TOPS, \$32 to \$50; CANOPY, \$15 to \$25 Patented in Canada, March 31st, 1877, and in the United States, Dec. 10th, 1878 ALL WORK WARRANTED.

you gave me last June, as I was inclining to the Liver Complaint, and one bottle removed the difficulty I was laboring under; and I believe it to be an excellent stimulating Syrup, especially for Liver Complaint. As the one bottle was so beneficial last spring, I want another one this spring. Send it along. I am glad to know from experience that you understand the medicinal properties of the roots and herbs that the Lord made for the benefit of Man. REV.
