The reelection of the Solicitor-General by a large majority is assured, and there is little doubt of his colleague following closely.

Madawaska. Mr. Lynott, M. P. P. for Madawaska, having resigned his seat, a new election has been ordered to fill the vacancy. Nomination, Gold Medalist that year. Saturday, Oct. 7th; election, Oct. 14th. It will be remembered that in the general elections in June, Mr. Lynott was elected by a majority of one, over M. Theriault, the third candidate, M. Nadeau, securing only a small number of votes. There will be square contest this time between Lynott and Theriault, and our advices lead us to believe that the latter will be elected. Both are announced as Government supporters, so we presume a change in the representation "will have no political significance."

Concord Wagons, Piano Box Wagons. Miller Spar Wagons, White Chapel Wagons, Croning Wagons, Brewster Wagons,

These Shifting Tops have no rival, as a glance at the cut will show for itself; it is so simple. It requires only one person to take it off or put it on, and when off no one would think a Top had been on, as no unsightly ends are sticking out. When the Top is on it is as firm as a rock. It can be put on any carriage in use. Persons ordering Buggies or Canopy Top Carriages should see that they have this Rail, as it will be greatly to their interest.

These Tops were awarded a Diploma at the Provincial Exhibition in October, 1880 Particular attention given to orders. Repairing done in the best manner, and at the shortest notice
