FREDERICTON, N. B., November 29, 1882,

A Third Party and the Manitoba Elections.

The elections in Manitoba are fixed to come off on the 23rd of December. The feeling aroused in that infant Province of the We have enlarged our premises by confederation is at present, the only disturbdestiny of the Dominion out of the controu of Sir John and Mr. Blake and their respec-

tive party followers, and carry out a policy which will protect each Province in its constitutional rights and so defend Manitoba, and exalt the position of the Dominion by bringing about an imperial federation, or failing that a commercial union with Great Britain, to the exclusion of all foreign countries; by insisting on the right of the Dominion to make its own treaties; and of Canadians to

hold the highest posts in the Militia Service. We question if the people of Canada will take any stock in this third party" or wil heed its prospectus issued by the too ambitions McMurrich. If the right of the Manitoba Legislature to pass a bill granting railway charters, such as have been disallowed, is to be vindicated, it will not be by this "third party" who remind one somewhat, of the notorious "nine tailors of Tooley Street" who undertook to speak for the people of

ness of the muscular or nervous system."

It is related that the president of a bank in the Gunnison region had occasion to visit The MARITIME FARMER only \$1.00 a year. Denver, and on his return he met the porter

of the bank at the depot and asked :-- " Well, James, has the cashier absconded ?" "No sir." "Burglars broken in?" "No, sir. "Bookkeeper been charged with embezzle-An Edinburgh journal says that that city, ment?" "No, sir." "Been a run on the having an outward righteousuess, is corrupt, bank?" "No, sir." "Then everything is all right, eh?" "Yes, sir, except a rumour around town that you had robbed the bank of \$50,000 and sailed for Europe."

Civilization is progressing in Africa. Prince Ansah, a member of the royal family of Ashantee, has brought an action at Cape Kendall's celebrated book on the "Horse and Coast Castle against a negro, whom he charged with a false and scandalous libel up-In the reign of Charles I. a Mayor of Nor- on him, and he recovered before a negro jury wich actually sent a fellow to prison for the sum of £50. His connsel was a gentlesaying that the Prince of Wales was born man of color, who had studied at Oxford and learnt law in England. Quite a change THEY ALL DO IT .- Everybody uses "TEA- from the method of settlement in such cases in days gone by, when the offender would have been summarily punished without the intervention of legal formalities.

A little fellow from a charitable institution was being taken to a New Jersev farm by an agent, the owners of the farm having had the boy "bound" to them for a term of years, when the agent noticed that the boy kept placing his hand inside of his jacket on the left side, and occasionally would peep within with a tender look. At last he said, "What with pride the story of their country's construct the Edmundston and Riviere du London Court Circular:—"It may be said, "Oh, nothing sir," he replied; "only a bit of died, and now it kind of comforts me to

> juvenator, Mack's Magnetic Medicine, an evidence is emphatic in its favor. Its advertisement of which appears in another genuine qualities always hold the friends they have once made. These qualities will be kept up to their full standard by the manufacturers of it. It is to these qualities and the reasonableness of the price that they and the reasonableness of the price that they attribute their marked success. To the quality they will adhere to at all cost, and also to the price if that be possible Thomas Charlton hooked his chin over the

prisoner's bar at the Police Court and regarded His Honour with a bland smile. "Thos. you are charged with being drunk," said the court. "I can't deny it," said Thomas, grinning from ear to ear." "You don't seem to seven of 'em, judge." "Seven excuses?"
"Yes, Yer Honour, seven.
