House Cleaning Time.

Don't Fail to have the most Important part of your House Cleaning Done, viz: Feather Beds, Pillows & Mattrasses.

BONNEY'S Patent Steam Renovator

The most important features are:-First. It removes all impurities and glutinous natter, which is the principal cause of feathers matting, and is the prime agent in the generation of moths, and by this process it thoroughly cleanses the feathers and annihilates both moth and parasite, from which one bed in one hun-Second. It renders the feathers fresh and healthy, and gives to old feathers the appearance and essential qualities of new ones.

Third. It increases the sixe of the feathers, so that two good begs will often make a small bed or a pair of pillows extra. Our facilities are such that at short notice we can take and return beds cleaned and ready

\$2.00 PER BED Remember no Charge unless Satisfactory

We consider the cleansing of Feather and Hair Mattrases by Messrs. Bonney & Co,'s Steam Renovator to be perfect. Even new feathers are greatly improved, as it removes all oily substance, and makes them less liable to be destroyed by moths or to become matted and we recommend all whe have teather beds to have them renovated, not only for the extra Messrs. Bonney & Co., and cheerfully attest to

These Shifting Tops have no rival, as a glance at the cut will show for itself; it is so simple. It requires only one person to take it off or put it on, and when off no one woult think a Top had been on, as no unsightly ends are sticking out. When the Top is on it is as firm as a rock. It can be put on any carriage in use. Persons ordering Buggies or Canopy Top Carriages should see that they have this Rail, as it will be greatly to their interest.

These Tops were awarded a Diploma at the Provincial Exhibition in October, 1880 FOR SALE OR TO LET. THE Storehouse owned by the subscriber, situate in Camperdown Alley, adjoining the property of Jos. Myshrall, Esq.
