CHAS. W. BECKWITH, Esq., City Clerk, Fredericton, N. B.

DEAR SIR,-I have read an article in the Fredericton Evening Herald, of the 12th inst., headed, "That purchase of hose," and assert that the malicious insinuations therein contained are false and untrue. The Gutta Fredericton with fire hose for a number of years, and have never at any time, either directly or indirectly paid or given or promised ation by themselves or their Agents, to any Alderman, Officer or other person bylonging to the City of Fredericton, and in reference to the late sale, no percentage or commission has been paid given or promised, either directly or indirectly to Alderman Simmons, or saction has been without any commission, percentage or other private inducements from this Company or its Agents. Respectfully Yours, T. McElroy,

P. S.—If it is necessary, I will appear before a Justice of the Peace here, and make a ter to recommend him to the electors of Fort sworn affidavit.

Open Phætons. Sole Manufacturers of Miller's Patent Shifting Rail. These Shifting Tops have no rival, as a glance at the cut will show for itself; it is so simple. t requires only one person to take it on or put it on, and when on no one would think a lop had been on, as no unsightly ends are sticking out. When the Top is on it is as firm as a rock. It can
