BUILDERS OF FINE CARRIAGES, King Street,

Concord Wagons, Piano Box Wagons. Miller Spar Wagons White Chapel Wagons, Brewster Wagons, Croning Wagons,

These Shifting Tops have no rival, as a glance at the cut will show for itself; it is so simple. It requires only one person to take it off or put it on, and when off no one would think a Top had been on, as no unsightly ends are sticking out. When the Top is on it is as firm as a rock. It can be put on any carriage in use. Persons ordering Buggles or Canopy Top Carriages should see that they have this Rail, as it will be greatly to their interest.

These Tops were awarded a Diploma at the Provincial Exhibition in October, 1880

Particular attention given to orders. Repairing done in the best manner, and at the shortest notice Price List.—BUGGY TOPS, \$32 to \$50; CANOPY, \$15 to \$25 Patented in Canada, March 31st, 1877, and in the United States, Dec. 10th, 1878
