Variety Store.

### AYER'S Hair Vigor

youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured. It checks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and

heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the Vigor is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume. MR. C. P. BRICHER writes from Kirby, O., July 3, 1882: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of AYER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. Bowen, proprietor of the McArthur (Ohio) Enquirer, says: "AYER'S HAIR VIGOR is a most excellent preparation for the hair, I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The Vigor is also a sure cure for dandruff. Not within my knowledge has the preparation over failed to give entire satisfaction."

MR. Angus Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1 %: "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AYER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eyes of the public."

MRS, O. A. PRESCOTT, writing from 18 Elm St., Charlestown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the VIGOR, but now use it occasionally as a dressing." We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIGOR, It

needs but a trial to convince the most skepti-

cal of its value, by mail, a Golden Box of Goods, that will bring ou in more money in One Month than anything else in America. At 20 lute Certainty. M. Young, 173 Greenwich St., New York PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists.

#### EBEN MILLER & CO.,

BUILDERS OF FINE CARRIAGES,

Fredericton, N. B. Concord Wagons. Piano Box Wagons, Iver's Wagons, Miller Spar Wagons, White Chapel Wagons, Top Phætons, Brewster Wagons. Croning Wagons Open Phætons.

Soe Manufacturers of Miller's Patent Shifting Rail. These Shifting Tops have no rival, as a glance at the cut will show for itself; it is so simple. It requires only one person to take it off or put it on, and when off no one would think a Top had been on, as no unsightly ends are sticking out. When the Top is on it is as firm as a rock. It cap be put on any carriage in use. Persons ordering Buggies or Canopy Top Carriages should see that they have this Rail, as it will be greatly to their interest.

These Tops were awarded a Diploma at the Provincial Exhibition in October, 1880

Particular attention given to orders. Repairing done in the best manner, and at the shortest notice Price List.—BUGGY TOPS, \$32 to \$50; CANOPY, \$15 to \$25

Patented in Canada, March 31st, 1877, and in the United States, Dec. 10th, 1878 RE ALL WORK WARRANTED.
