W. H. MOORE." Durham, Ia., March 2, 1882. "Eight years ago I had an attack of Rheumatism so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPA-Sary relief, until I took AYER'S SARSAPA-Balla, by the use of two bottles of which I was completely cured. I have not been troubled with the Rheumatism since. Have sold large quantities of your SARSAPARILLA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity con-vince me that it is the best blood to disciple
