LEMON'S
VARIETY STORE.
ESTABLISHED 1844.
To the Patrons of Lemon's House-Furnishing Store
LADIES AND GENTLEMEN—Mr. Martin Le-
mon's store was burned out in the big fire of
1880, on the site of Sharkey's Block; again
burned out 1886, on Phoenix Square Block. He
then moved down into Coy's Block, next above
our present store. There we were burned out in
1880, replacing the same stand again in 1880.
From that time until now we thank you for
day 1, 1871, we addressed you as a circular,
telling we would move into our new place,
and our business on that date. We again desire to in-
form you that our Warerooms are now placed
on the corner of Queen and Market Streets, and
for your patronage in the past, and desire a con-
tinuance of the same.
With the largest store and Warerooms in the
city, we have facilities for carrying on a whole-
sale and Retail Trade second to none in the Pro-
vince. We keep three Showrooms—eighty-three
feet deep—three feet wide, and a cellar under
all, giving a floor space of 7,838 feet. Be-
sides this we have other warehouses and back
store, with a workshop shop for furniture, Made
to Order, and an Upholsterer to finish.
Our store is situated between the Queen Hotel
and the Bank, and is but five minutes
easy walk from the City Hall. If you look up
high, you will see our sign, "Lemon's Furniture
Warehouses."
We have gone out of the Second-Hand Goods
Department.
We buy our Goods direct from the manufac-
turers in England, France, Germany, United
States and Canada for cash, and sell lower than
any other house in the city.
Parties going into housekeeping, and others
wanting House-Furnishing Goods, will find this
the most reliable store to buy them in Frederic-
ke. The especial attention of the ladies is
solicited.
We shall, in the future, as in the past, keep the
largest stock of goods in New Household Fur-
niture, Parlor Pies in all kinds of coverings
and specialties, and a magnificent stock of
furniture for every room in the house: White
and Colored Stoves; Bedsteads; Trunks; Bed-
room Glassware; Cutlery; Kitchen Ware;
Dining Room Furniture; and a full assortment
of Fancy Goods; Christmas Goods; Wooden Ware;
Household Hardware; Bohemian Vases;

HAIR RENEWER
was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needed for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its name and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: the entire fulfillment of its promises.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables the hair to push forward a new and vigorous growth. The effects of this article are not only permanent, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

BUCKINGHAM'S DYE
FOR THE
WHISKERS
Will change the beard to a natural brown, black, or desired. It produces a permanent color that will not wash away. Consisting of a single preparation it is applied without recourse.
