Maritime Farmer.

FREDERICTON, N. B., April 4, 1883.

The Financial Statement.

Sir Leonard Tilley delivered the Budget Speech in Parliament last Friday, disclosing a gratifying state of affairs. The revenue of last year received from the consolidated revenue amounted to \$33,383,000, the expenditure amounted to \$27,067,000, leaving a surplus of \$6,316,000, the largest surplus that has ever been declared since the Union took as subsidies of land in the North-West, making altogether a surplus of over eight mil-

pended on capital account for the Canadian to impossible to form an opinion, as to where Pacific and Intercolonial Railways, for the blame should rest, particularly as the enlargement of the canals, and on the surcapital account during the last year.
