Communications.

To the Editor of the Maritime Farmer:—

SIR,—Understanding that I was pretty roughly spoken of at the last meeting of the City Council, by one of the members of that body, in regard to my abilities as a workman, any person feeling enough interested in such a matter, will please call at the store of R. Chestnut & [illegible] and closely examine a piece of machinery in the shape of an Iron Planer, [illegible] I have placed there on exhibition, ma[illegible] patterns and finished the job from the ro[illegible] castings, except one piece, the bench or bottom, which was planed at the machine shop. I did the job with the cold chisels and file and lathe, and for further information, I might also state, that I built No. 3 and 5 Hand Engines, of this city.

Yours with respect,

J. M. TAYLOR.

Frederic[illegible]n, Feb. 26, 1884.

Mr. W. W. Clindinin, Marysville, passed his final examination and received the St. John Business College diploma on Wednesday last.

Over one hundred couples attended the Curlers' ball in the County Court House last Thursday evening, and the affair was an entire success.

There is only one word we have to say to the Guard of Honor, "Men, the eyes of the public will be upon you. Acquit yourselves so as to bring no discredit upon your noble commander."

The veteran legislator, Hon. John McAdam, arrived yesterday to attend his duties. Mr. McAdam, if he lives till March 28th, will be 72 years of age. He first sat in the Assembly in 1851.

Mr. C. W. Beckwith, City Clerk, and Mr. E. W. Vavasour of the Post Office, skated to Rothesay, Kings Co., yesterday, leaving here at 7 A. M., and arriving there in time to catch the 8 P. M., train for St. John.

W. T. Baird's Cure-All Liniment is entirely different from any other Liniment or Preparation for the relief of pain, from its peculiar penetrating power it acts promptly and is used both internally and externally.

Bishop Kingdon arrived home from England Friday evening in excellent health. He was accompanied by two young English clergymen, Rev. Messrs. Cresswell and Williams, who have come to labor in this Diocese.

The Farmers' Supper at the Springhill Hotel Monday evening, was a great success. There was a very large attendance, including many from the city. It is needless to add that Mr. and Mrs. Segee and their family, sustained their part admirably.

Speaker Lynott arrived from St. George last night, and has taken up his quarters for the session at the Barker House. Mrs. Lynott, we regret to learn, is in New York undergoing medical treatment. She is much improved in health recently, however, and will return home as soon as the cold weather is over.

Loggie's and Capt. Cropley's companies. Capt. Cropley will be in command, with Lieuts. Pinder and Hemming as subalterns, and the Relief Band of the 71st Batt., will parade at the head of the guard.

The Carnival last night was an entire success. There was a large attendance of skaters and spectators: the costumes exceeded in originality and variety, anything ever seen in this city, the ice was good, and the music by the Fredericton Brass Band as usual first class. The Curlers are to be congratulated upon scoring another success. In fact everything they undertake in the way of amusement is a success.

The Ottawa *Citizen* in resenting a vulgar attack made by the Toronto *Globe* on Prof. Foster, M. P., "ventures to say that if an occasion could be secured, when only a capable and imprejudiced audience could listen to the more experienced, Mr. Blake and Mr. Foster on any public question, the verdict would be that as a speaker, the member for King's, N. B., can be ranked with the member for West Durham." "Mr. Blake's organs," the *Citizen* asserts, "cannot write down Mr. Foster's reputation as one of the most accomplished speakers in Canada."

When the first division on the Pacific Railway resolution in the House of Commons was taken, the Government had a majority of 70, the vote standing, Government, 132, Opposition, 62. The absentees were Messrs. Colby, Barnard, Bryson, McCallum, McCarthy, Sir Charles Tupper and Abbott, of the government side, and Messrs. Sutherland, Wells, Bain, Burpee of St. John, Glen and Harley on the liberal side. This brings up the total vote to 68 opposition and 139 ministerial, with the Speaker in the chair, or a total of 208 members, besides whom Messrs. Aymot, Guilbault and Cimon (conservatives) did not vote. Had the full party strength been polled, the government would have had a majority of 74.

The Katherine Rogers Theatrical Company, opened their season of three nights in the City Hall, last night, to a fine audience. "Miss Multon" was the play presented, and it was carried through to the entire satisfaction of the audience. Miss Rogers is a superb actress, and captured the attention of the house at once. As "Miss Multon," her delineation has scarcely been equalled, and her support including Miss Moretti, and Mr. Burroughs, who is an old favorite, is all that could be desired. To-night the Company are to play "Forget-me-not," and will no doubt command another full house. The season will close to-morrow night, with "Pygmalion and Galatea," the stage not admitting the presentation of "Leah, the Forsaken," as originally intended. The management are to be congratulated on the excellent order last night. The gallery is closed and the "gods" do not assume the responsibility of making an uproar when seated in the pit.

At Miltown, on the evening of the 20th inst., were celebrated the nuptils of Miss Addie Murchie, daughter of Mr. James Murchie, and Mr. Alexander McTavish, of St. Stephen, who is a brother of Mr. Wm McTavish of this city. The bride was arrayed in a dress of white ottoman silk, with full train, front of crystal and point lace, and a pointed bodice trimmed with crystal and point lace. She wore a corsage bouquet of orange blossoms and lilies of the valley, a tulle veil with a wreath of orange blossoms and lilies of the valley and pearl ornaments. The dress of the bridesmaid, Miss Blanche Glasier, daughter of Senator Glasier, of Fredericton, was of cream silk, with full ruche on skirt and lace overdress, and a crimson plush bodice, trimmed with Duchess lace. She carried a corsage bouquet of pale pink roses and wore gold ornaments. The groom was supported by Mr. Geo. J. Clarke, editor of the *Courier*.

A Certain Result

If your blood is impure it will burst forth in blotches, pimples and sores, festering and unsightly. Burdock Blood Bitters will thoroughly cleanse the blood and eradicate all foul humors from the system.

The Chatham *World* says, that Mr. C. H. La Billois, M. P. P., for Restigouche, addressed a public meeting in the Masonic Hall, Campbellton, on the evening of the 18th inst., explaining his political conduct, discussing the expenditure of public money in Restigouche, and dealing with other topics of interest. It must have been intensely if Mr. La Billois went into particulars on the first named subject.

A Card.

There is a terse and pointed way of speaking that bears the impress of honest conviction—especially when such conviction is uttered respecting certain commodities whose market value never fluctuates and whose consumption never decreases — save with a corresponding decrease of physical suffering. So we thought when hearing people, who were complaining of General Debility, Kidney Disease, Liver Complaint, Dyspepsia, Rheumatism and Neuralgia, receive the same reply—"Get Humphreys' Homeopathic Specifics." They are sure, safe, and efficacious.

Extracts from a Letter from C. S. H. Cronkhite, Esq.

Canterbury Station, York Co., N. B., October 10th, 1876.

Mr. J. H. Robinson,

Dear Sir,—In reply to your letter of enquiry, I would say that your *Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime* is the best preparation of the kind I have ever seen or taken.

I was ordered by my physician to take it, and commenced about the last of August, and since that time I have felt a different man, and also look differently, and all for the better, as the doctor can testify.

I was unable in the summer to walk any distance without much fatigue. I can now take my gun and *travel all day and feel first-rate at night, and eat as much as any lumber man.* Have not bled any since I took your preparation, and can now inflate my lungs, without feeling any soreness, and I think I can inflate them up to full measurement, same as before I was sick, have also gained in flesh, my weight in the summer was 173 lbs., and now it is nearly 190 lbs., which is pretty well up to my former weight.

The foregoing is a correct statement which I am prepared to swear to, and I hereby authorize you to give it publicity in my name.

I am, dear sir, yours truly,

(Signed) C. H. S. CRONKHITE.

We, the undersigned, hereby consent to have our names published as witnesses to the effects of *Robinson's Phosphorized Emulsion* on the person of Mr. Cronkhite, and do assert that the foregoing statement is correct in every particular.

The Digby Murder.

Mrs. Elsie Williams, who, with her son-in-law and his wife, has been confined in the Digby jail charged with the murder of Wm. Kent, last week, has confessed that she committed the deed. The circumstances as narrated by the prisoners seemed to point to Mrs. Williams as the guilty party, and she has set all doubts at rest by a confession which she made in Digby jail this morning to Captain Daley. Her words were taken down in written, and signed by her in the presence of her daughter, Jordan. The following is a copy of the confession: "I was in Jordan's house when Kent came in. The story I told at the inquest was correct till the man fell on the floor. Then I looked for something to hit Kent with. He was on top of Howard Jordan. I was afraid he was killing him, as he did not speak. The only thing I could find was the axe, and I hit him several times with it. He then fell over on the floor, and did not speak till Francis came and lifted him up. I feel compelled to make this confession from a sense or justice to the other prisoners and with the fear of God before my eyes.

TAPLEY'S REMEDY,

in all cases of Neuralgia, Nervous or Sick-headache of long standing, or Sciatica, it has no equal; it works like a charm. During the last year it has brought happiness and comfort to hundreds of homes. Sufferers try its great worth; you will never regret it.

In the mint at San Francisco there are fifty women employed at a salary of $2.75 per day. The hours are from nine o'clock in the morning until four in the afternoon, with the exception of Saturday, when work ends at two. Their business is to weigh the gold and silver after it has been rolled, annealed, cut, and washed, and they are known as adjusters. Each piece should weigh 412½ grains for a silver dollar to be up to the standard, a slight discrepancy being allowed on either side. If a coin is found to be outside the limit, it is returned by the adjuster; if too light, it is condemned, and must be remelted; if too heavy, it is filed to its proper weight.

Hope in Hopeville.

Mrs. McArthur of Hopeville, declares she could not keep house without Hagyard's Pectoral Balsam. It is a remedy in which the sufferer may safely hope for speedy relief and effectual cure of Coughs, Hoarseness, Throat and Lung Troubles which neglect and in hopeless consumption.

Some idea of the magnitude of the business of raising sweet-scented flowers for their perfume alone may be gathered from the fact that Europe and British India consume about 150,000 gallons of handkerchief perfumes yearly; that the English revenue from Eau de Cologne is $40,000 annually, and that the total revenue of other perfumes is estimated at $200,000 annually. There is one great perfume distillery at Cannes in France which uses yearly 100,000 pounds of acacia flowers, 140,000 pounds of rare flower leaves, 32,000 pounds of jasmine blossoms, 20,000 of tuberose blossoms, and an immense quantity of other material, and there are any number of perfumes that don't contain a smell of flowers and never did.

FREDERICTON.

FREDERICTON, N. B., Dec. 15, 1882.

I take pleasure in certifying that I have sold DR. WISTAR'S BALSAM OF WILD CHERRY for thirty years, and know it to be one of the oldest as well as the most reliable preparations in the market for the cure of COUGHS, COLDS and THROAT and LUNG COMPLAINTS. I know of no article that gives greater satisfaction to those who use it, and do not hesitate to recommend it.

Having sold PERUVIAN SYRUP since its first introduction, and knowing that its use has been attended with great success in cases of DYSPEPSIA, GENERAL DEBILITY OF THE SYSTEM, and diseases originating in a bad state of the blood, I am satisfied that it is a remedy of great power, and deserves the attention of invalids.

Both articles have given very general satisfaction to my customers and are esteemed as household remedies. Owing to the uniform character of these articles they have maintained their hold upon the public here for very many years without any puffing or extra advertising.
