THE undersigned have commenced the manufacture of STOVES of all descriptions and

THIS establishment now having two thoroughly Practical Plumbers and Gs Firters in their employ, are prepared to attend to all work entrusted to them in a thorough workmanlike manner.

We wish also to state that we manufacture the best COOK STOVES now made in the Markima Provinces from No.1 Clyde Iron, which we sell at prices which defy competition.

Purchasers will give us a call and be convinced of this fact,

O'TOOLE & McCAFFREY,

Frank Siddell's Soap. USE winter or summer, but don't scald or boil any of your clothing, no matter how dirty or stained. Brightens colored goods. Goes farther than other soap, and cheaper for a poer family for scrubbing and washing dishes. Softens woolen goods. A large wash done in a couple of hours. No clothes mending. No fingers rubbed sore. The saving in fuel alone more than pays for the soap. Clean, sweet, and white clothes without boiling or scalding. Just think. No heavy wash boller to kitting.
