### A Political Bull Run.

Mr. A. A. Stockton, the recently elected M. P. P. for the City and County of St. John, evidently believes in the old saying that,

"He who fights and runs away, Lives to fight some other day. Mr. Stockton is a pure Grit, one of the aggressive, wire pulling Grits of St. John. Mr Stockton had sat in the Legislature all the session, without particularly distinguishing himself, although great things were expected of him, and quite deservedly so. But Mr. Stockton's turn for achieving glory, came not till near the close of the session, when he eived the brilliant idea, or it was conceived for him by Attorney General Blair, of having a slap at the Dominion Government, which Mr. Stockton and Mr. Blair both hate, with a genuine Grit hatred. So Mr. Blair dictated and Mr. Stockton wrote down, or Mr. Stockton dictated, and Mr. Blair wrote down a string of resolutions, real Grit resolutions, Dominion authorities with proving Sorldiways and provincial rights generally, turmeby copying the example of the Mowatt Government in Ontario. Well, Mr. Stockton made a long and able speech, and everything indeed looked lovely for the resolutions and the probability of the New Brunswick Legislature was said by the Chatham people, that if the getting a good one in, on the Dominion Government, which would, of course rejoice the souls of such thorough paced Grits as Mr. Stockton, Mr. Blair, Mr. McLellan and Mr. we hope the rival factions will now unite in demanding the immediate construction of the sixteen years of age.

The demand, as regards the expense of the system, was not that the Government allowance should be reduced, the effect of which will be to increase local taxation for the support of our schools, but rather that the people should be relieved of the heavy burdens cast upon them in this pass under the control of the schools trustees.

FAILING!

That is what a great many people are doing. They don't know just what is the matter, but they have a combination of pains and aches, and each month they grow worse. The only sure remedy yet found, is Davis' Quinine Iron and Wine,

and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength. This is way Davis' Quinine, Iron and Wine will cure Dispepsia, Indi-
