ing class of this year, which we here pronounce to be, in our opinion, highly discreditable to him.

AT THE SEMI-ANNUAL MEETING OF the County Council of the Municipality of York, held on the 2nd day of July last, the following resolution was passed, viz:

Resolved, That the Secretary-Treasurer be authorized and directed to take proceedings against all Collectors and their Bondsmen who I have been in the employ of the line allusion to them. As for the insinuations do not make returns and pay over all moneys thirty-five years, and am the oldest officer in cast at us by him, we hold them in the high-Dated this 11th day of July, 1884.

FINE CARRIAGES, Fredericton, N. B!

Concord Wagons, Piano Box Wagons Miller Spar Wagons, White Chapel Wagons, Brewster Wagons, Cronin Wagons,

Iver's Wagons Top Phætons, Open Phætons

These Shifting Tops have no rival, as a glance at the cut will show for itself; it is so simple. It requires only one person to take it off or put it on, and when off no one would think a Top had been on, as no unsightly ends are sticking out. When the Top is on it is as firm as a rock. It cap be put on any carriage in use. Persons ordering Buggles or Canopy Top Carriages should see that they have this Rail, as it will be greatly to their interest.

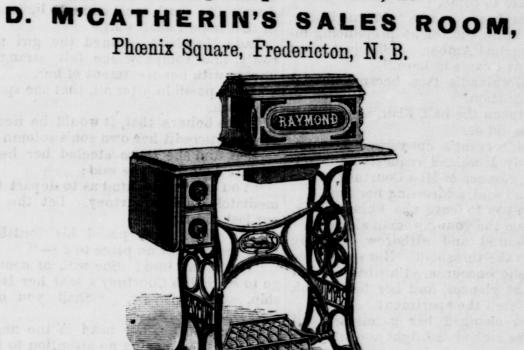

These Tops were awarded a Diploma at the Provincial Exhibition in October, 1880

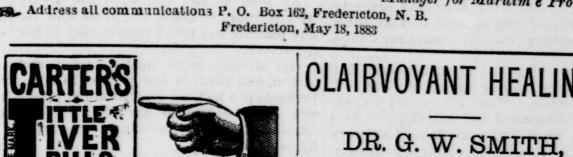

Particular attention given to orders. Repairing done in the best manner, and at the shortest notice Price List.—BUGGY TOPS, \$32 to \$50; CANOPY, \$15 to \$25 Patented in Canada, March 31st, 1877, and in the United States, Dec. 10th, 1878
