Farm for Sale.

MRS. MARGARET SMITH offers for sale her very valuable property in the Parish of Douglas, York Co. This farm is situated eight miles above Fredericton, and contains eight hundred acres of land, about one nundred of which is cleared and under a state of high cultivation, cutting annually between forty and fifty tons of hay of a superior quality, besides tillage and pasture land. The forest is well wooded with valuable lumber of every description and cedar in abundance. The water privileges are good. There are on the farm a house, three good barns, and two orchards. The New Brunswick Railway runs across the property between the house and highway with a station quite convenient. The location of this property commands a view of Islands and beautiful country around not surpassed in New Brunswick. It has a frontage on the River St. John of one nundred and ten rods yielding a shore rent of fifty five dollars annually.

The churches of the different denominatious and school houses in this Parish are numerous, and within reasonable distance of the property. The property will be sold with or without the stock and farming utensils
