This Association merits the confidence that the public is resposing in it, from the following The Security offered to policy holders is unsurpassed by any Compaily doing business in the Dominion. Its progress has been unexampled in the history of Insurance in Canada. Its Policies are indisputable after three years, and non-forfeitable after two years. The Cash Profit results paid to policy-holders have not been equalled by any Company in Canada. The following are examples of actual Reduction of Premiums by application of profits:— Robert Taylor, Halifax, insured for \$10,000 in 1872, premuim \$317,70; in 1882, \$160.10. John Willis, Halifax, insured for \$1,000 in 1871, premuim 31,77; in 1882, \$14.20. John S. McLean, Halifax, insured for \$4,000 in 1872, premuim \$137.76; in 1882, \$70.06. Mayor Jones, St. John, insured for \$5,000 in 1871, premium \$172.20; in 1882, \$77.20.

The fullest information will be given on application.

Persons ordering Buggies or Canopy Top Carriages should see that they have this Rail, as it will be greatly to their interest.

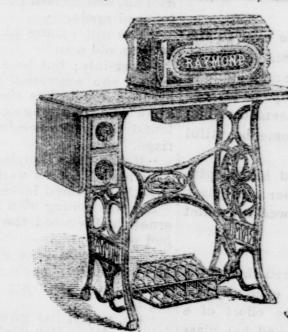

These Tops were awarded a Diploma at the Provincial Exhibition in October, 1880
