HAIR RENEWER was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its

natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needful for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparal. leled success can be attributed to but one cause: the entire fulfilment of its promises. The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, feyer, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes

BUCKINGHAM'S DYE

its use a matter of economy.

FOR THE WHISKERS Will change the beard to a natural brown, or black, as desired. It produces a permanent color that will not wash away. Consisting of a single preparation, it is applied without
