The St. John Cricketers were badly defeated in all three of their matches at Halifax last week, succumbing in turn to the Wanderers, the Garrison and the Navy. The Wanderers defeated them in the first match by 74 and the Navy by an inning and 24 runs. Biss's innings was 101 runs while that of the other ten men was only 3-2-5 runs. One remarkable feature of the match with the Garrison, was the fact that in the second inning the St. John men, Jack Thomas and Sandy Thompson, clean bowled every one of their opponents, Thomas bowling the excellent bowling record of 7 wickets for 30 runs, 10 maidens and no wide or no ball. The Halifax Cricketer in his remarks on the match between St. John and the Wanderers, says that "the visitors did not do perhaps those exceptions, gave a most miserable exhibition of fielding and to blame their lack of play in this respect as one of the causes of a goodly portion of the scores made against them, and that there are a few of them good batters, but as a team they are not very strong in this respect, though it is but fair to state that two or three of their bats are not with them, including G. W. Jones."
