Holiday Announcements.

The FARMER's advertisers make such official business, demands on our space this week, that the amount of reading matter in this in America, dropped dead in his residence at portant matter, the consideration of which no issue is considerably less than usual. We do not feel, however, that any apology is necessary, as the majority of our readers are interested in the holiday announcements of our business men.

The FARMER has reason to be deeply grateful for the splendid advertising pat- 1886. They will have the use of them until ronage it enjoys, and we believe those after the return of the team from England. who take advantage of its columns, are For this we are extremely thankful, and we regard the circumstances, as a cordial endorsement of the manner in which the paper has been conducted, and of its value as an advertising medium.

We invite our readers to scan closely the numerous anouncements of holiday goods made in the FARMER to-day. We necessaries or luxuries, for the holiday season, and it will be patriotic in them not to pass the business men of Fredericton, when desiring to make their purchases.

A Popular Association.

We publish elsewhere to-day, a letter from Mr. Wm. T. Standen, that will be of interest to many of our readers. The writer is well known to all insurance the Salisbury Government is uncertain. men, and is regarded as a high authority Esq., and the late Conductor Robinson, inspires the utmost confidence in the management, and the hearty endorseaugurated by this company, must contribute greatly to its success. It is also a pleasure to note the success of our local enterprises, but when we contemplate John C. Brown. the advantages to society of a system of | Charlottetown smallpox statistics show
