Thirty years study and experiment have been given to perfecting the formula for Parsons' Pills, and the universal judgment of the highest modical authorities, scientists, and men of learning, is that our formula is the best yet devised by the brain of man; and should rank with the wonderful discoveries of the world. No family should be without them, for there is no other remedy in the world capable of conferring so much benefit, excepting, possibly Johnson's Anodyne Liniment. The information contained in the wrapper around each box is worth ten times the cost of a box of pills; it shows how to avoid and how to cure all manner of diseases, and how to correctly interpret the symptoms thereof.
