

York's Favorite Candidate for the Local Assembly.

Maritime Farmer.

FREDERICTON, N. B., June 10, 1885.

Mr. Wilson's Candidature.

thing some tone, all the relatives, de- and keep himself in power. pendents, and office-holders on a wink from Mr. Blafr, throw their hats in the ture, Mr. Park moved the following air and shout themselves hoarse. And resolution. that is what they call a convention.

pose to adopt towards him, the course to treat Mr. Wilson as a political opponent and on political grounds alone, and is fixed at \$1.25 per superficial feet, or logs, we think we can give the electors of ed state of that trade York sufficient reasons why Mr. Wilson York under very unfavorable auspices. He is brought out as a mere tool in the hands of Messrs. Gregory & Blair, to continue the reign of family compactism in this constituency. Mr. Wilson is known to have hitherto entertained feelings of deep hostility to those who are now attempting to use him for their Legislative Council, there seemed to be an opportunity for him to give the electors some proof that it was not his intention to use his public position for mere family aggrandizement. Did he seize the opportunity? He might have the Mayoralty of Fredericton, some brother-in-law, and his own relative to Wilson from seeking popular favor.

ther than that? During that campaign Mr. Wilson did ed, renewed and regenerated man. not canvas as an opponent of the late Government, and the vote thrown for that the public will back us up in the him was more of a personal than a demand, before swallowing such a compolitical character, and if he appeared bination as the subsidized organ and matters of the day. But when he once beat this time as Mr. Wilson alone, and Mr. Wilson. not as the servile follower of Messrs. Gregory & Blair; as the exponent of

Blairs and the Gregorys, the Thompsons and the Wilsons of this new a position, and in the future Mr. Wilson's of this new a position, and in the future Mr. Wilson's of this new a position, and in the future Mr. Wilson's of this new a position, and in the future Mr. Wilson's of this new a position, and in the future Mr. Wilson's of this new a position, and in the future Mr. Wilson's of this new approximation of the placed in such a position of the placed in such a place family compact. Why should these wirepullers ought to use a little more family compact. Why should these people monoplize the public monies of judgment in selecting their committees big bones when we consider that the country Gladstone has resigned, and the new Conser- He was somewhat under a cloud at the time of the committees of the public monies of He was somewhat under a cloud at the time of the control of the public monies of He was somewhat under a cloud at the time of the control of the public monies of He was somewhat under a cloud at the time of the control of the public monies of He was somewhat under a cloud at the time of the control of the public monies of He was somewhat under a cloud at the time of the control of the public monies of He was somewhat under a cloud at the time of the control of the public monies this country? The pretensions of the in the Parishes. family compact were sat upon in 1884, when Mr. George Gregory was so crushingly defeated for the Commons, and rears its head in 1885.

a personal canvas of the city for Mr. Wilever given a candidate for the Legislature, and nobody knows it better than a serious account to settle with Mr. See that you get "Hanington's "the existing strength of the external and internal use. It cures ing taint of scrofula about you, Aver's Sarsaoughly with saliva, which is a digestive Messrs. Gregory & Blair.

Mr. Blair and the Lumber

Monopolists.

Mr. Blair and his Government are bound hand and foot to the lumber with monopolists of this country, and in York County, Mr. Blair would not to-day Mr. Blair's Convention last week was a great sham, and the electors who at
Mr. Jas. H. Crocket, the nominal proprietor of the organ, a common public tramp, were only the control of which he had the donor to be as many female as male topers.

Mr. Jas. H. Crocket, the nominal proprietor of the organ, a common public tramp, when signed they would be deposited in the predecessors had done. But had the citizens bank as security for the \$12,000. On this instead of complaining, taken an interest in tended it must have been conscious that they were being hood-winked. Every.

Blair's Subsidized Crew.

How they bled the Treasury in 1884.

What it costs the Country to feed Blair, Crocket, Gregory and Lugrin.

Parasites at the Public Crib.

(From Mr. Adams' Speech in the Assembly) No other combination ever got so much money from the Government for being a party hack as the Gleaner,

BLAIR'S SUBSIDIZED ORGAN. Formerly the cry was, don't appropriate one dollar of the public money merely to support swed, and a prudent and frugal administration petition between honest labor, and let him who merits it bear off the palm. How has the Attorney General carried out this principle—has he conformed to this practice? On turning to the Auditor General's account, I find that the editor of this organ had got from the Government for one little job alone, \$555.00. There was an election at hand, a new editorial had to be written, they had to keep him in good cheer by feeding him at the Government crib. This was the same gentle man who was now by courtesy on the floors of the house drawing some eight or nine hundred dollars more from the Provincial chest. But this amount to one man connected with this paper, is only a small item in the eyeso so this liberal government, who have been so the surface of the position. We are in support the doctrine of prometion prometion of affairs has provided a to the doctrine of prometion prometion in the provincial chest. But this amount to one man connected with this paper, is only a small item in the eyeso of the doctrine of prometion prometion of the ratepayers. In the first place Ald. The had been charged with recklessness and mismanagement. It is a member of the Council he had been charged with recklessness and mismanagement. Five thousand guineas is reported to have

I fight the Attorney-General politically as he fought me. I respect the ability of the man, future issue. We have however in this.

We could have wished that Ald. Wilson been paid for Gen. Gordon's diary. This had been able to place himself in a better sum would have gone a great way toward light, but unfortunately for his case, he stands | making up the hundred thousand dollars the him on account of his politics I never utter- time, the slightest semblance of a claim to where he stood before, and no one is more beleagued general called for, but it is the promotion on the grounds he himself sets conscious of it than he is himself. Yet he pants for the civic chair, a position which not possess one-tenth the interest were it not from his past history in civic affairs he is in for the lamentable fate of its author. There are in the United States about three

The Soudan, which used to be called "the

phrase of his means—" to sit sepulchre of armies," has earned for itself another sobriquet as "the grave of special has just gone down under an attack of enteric fever at Suakim, is the latest. The Soudan war has used up more correspondents than the great struggle between France and Germany and between Russia and Turkey,

A lonely San Franciscan recently advertised for a wife and received a satisfactory tised for a damsel in Lockeford in San Dr. C. P. Mulvaney who died recently at his home in Toronto had become somewhat and the maiden was sent \$10 to go to San organ, the editor, Mr. Charlie Lugrin, is celebrated in the literary world of Canada. Francisco, wher the advertiser would meet He had been engaged on a book "the His- and wed her. She did not put in an appear-

once. A book of poems published shortly sense. Miss Flynn's conversion had been after he reached Toronto contains a sonnet to preceded a few weeks before by that of the Rev. C. W. Leadbeater.

Do you chew your oatmeal? Well, The Journal of Chemistry says you ought to and for these reasons. The Journal maintains that oatmeal, cracked wheat, and similar treee! Death of the Queen." They were promptly arrested, but as they had broken no poetry, clever parodies on famous poems, usual style. They are soft and go down translations, and Latin and French poems. easily, and are shovelled or spooned into the Besides the books previously mentioned he is stomach, with no delay in the mouth en route. the author of "Toronto, Past and Present." They need mastication as much as beefsteak does, not to save one from choking (which The sure effects of Aver's Sarsaparilla are many people seem to suppose is the sole thorough and permanent. If there is a lurk- reason for chewing) but to mix them thorthe passage of dry food down the esophagus.
