A package of nine registered letters were missing from the Woodstock mail that arrived in St. John morning, April 5th. five of the letters passing through the Woodstock office and four were registered woodstock office and four were registered by the woodstock of the work four one was registered by the woodstock of the work for the woodstock of the woodstock of the work for the woodstock of the woodstock of the work for the woodstock of the woodstock of the woodstock of the work for the woodstock of the woodstock of the work for the woodstock of in it. Of these four, one was registered by J. T. Allan, Esq., for McLellan & Co., St. John, and contained \$500; the other three contain about \$41. The amounts of the others we have not learned. others we have not learned. The nine letters clares it can, and that Hagyard's Yellow Oil were all placed in the one envelope by the is the remedy that cured him. It is also a Post Master here, and with another package of letters placed in the St. John mail bag, An Illinois doctor thinks he has found a sure cure for rheumatism in geranium leaves. Perhaps he argues on the principle that like cures like; for spooning over geraniums in the garden after dark during summer is a favourite way of catching the disease with many susceptible young persons.

Mr. W. G. Ga. to in writing to the Intelligencer from Edinburgh says:—"My building up the blood and making it pure

Mr. W. G. Ga be in writing to the Intelligencer from Edinburgh says:—"My stay in Edinburgh has been made extremely pleasant by meeting here an old friend an former pupil in the person of H. B. Pickard of Fredericton. This young man, whose course in our Provincial University was a brilliant one, and who subsequently secured the Gilchrist scholarship, has been very successful in his studies both in London and here. His latest success has been a scholarship worth over five hundred dollars a year for four year and given for proficiency in the higher athematics. This won in a University or many hundreds of students is highly creditable, and the entire career of this highly creditable and been made extremely building up the blood and making it pure and healthy, by the use of Gates' Life of Man Bitters and Syrup, which are the best medicines known having been in constant use in Nova Scotia for nearly half a century, and having made unparalelled cures of the worst cases.

About a year ago, an English gentleman, travelling in Germany, came across an officer employed in superintending some details of military railroad transport. He had been a Captain during the Franco-German War, and had allowed his company to be surprised. After being imprisoned for eighteen months,

University of many hundreds of students is highly creditable, and the entire career of this young man, who has taken degrees both at London and Edinburgh, is honorable to himself, his alma mater and his country. I should hope that an early effort would be made to secure his services for our own University, where he would be a valuable addition to our able but rather limited staff of professors. Well, thanks to this young of professors. Well, thanks to this young man, who so much enjoys study here but whose love for New Brunswick is still fresh and strong, the pleasure of my visit was consent the pleasure of my visit was control for thirty days, to (young and old).
