WONDERFUL!

BETWEEN eight and ten years ago, a medicine was introduced to the public, and suffering humanity was invited to try the same.

The proprietor knew from experience, that success was certain, but the human breast bued with prejudice that it forms one of the strongest barriers to break down and the greatest enemy to overcome before any headway can be made towards the mansion of success. Truth has often proved itself to be "stranger than fiction," and it is a fact as solid as truth that SMITH'S CHAMOMILE PILLS ave now become one of the leading Patent Medicines of the present day, from north to south

and from east to west, they are to be found in the homes of the rich and poor. All classes of ociety use them, and they are by thousands declared to be Worth their Weight in Gold. For a Weak Stomach, Impaired Digestion, and all disorders of the Liver, they act like "MAGIC," and a few doses will be found to work wonders on the most important organs in the human back the keen edge of appetite, and arouse into action, with the rose-bud of health, the whole physical energy of the human frame. These are "facts" admitted by thousands embracing all Chamomile Pills have the largest sale of any Patent Medicine In the Dominion. REFERENCES: W. Goddard, M. Murchie. George J. Clark. George E.
