made no objection and the marriage en gagement was sanctioned accordingly. One evening when the last days of Jen- fided to the two ladies had been strictly county, arraigned as a culprit in the pres-

hings' service were drawing to an end, a gentleman on horseback stopped at the inn. In a state of great agitation he informed the landlady that he was on his way to Hull, that he had been so fright. ened as to make it impossible for him to continue his journey. A highwayman had robbed him of a purse containing 20 guineas. The thief's face (as usual in those days) was concealed by a mask; and there was but one chance of bringing ing him to justice. It was the traveler's custom to place a private mark on every gold piece that he carried with him on a journey; and the stolen guineas might
