tions of the Throat, Bronchial Tubes, and Lungs. Therefore, the importance of early and effective treatment cannot be overestimated. Aver's Cherry Pectoral may always be relied upon for the speedy cure of a Cold or Cough.

Last January I was attacked with a severe Cold, which. by neglect and frequent exposures, became worse, finally settling on my lungs. A terrible cough soon followed, accompanied by pains in the chest, from which I suffered intensely. After trying various remedies, without obtaining relief, I commenced taking Ayer's Cherry Pectoral, and was

Speedily Cured. I am satisfied that this remedy saved my life. - Jno. Webster, Pawtucket, R. I. I contracted a severe cold, which sudlenly developed into Pneumonia, presentng dangerous and obstinate symptoms. My physician at once ordered the use of Ayer's Cherry Pectoral. His instructions were followed, and the result was a rapid and permanent cure. - II. E. Simpson, Rogers Prairie, Texas. Two years ago I suffered from a severe Cold which settled on my Lungs. I con-
