## A POWERFUL SPEECH.

Mr. Adams' Arraignment of the

venture to dispute. The late Dr. Elder if there are gentlemen of that character on ing to the same page and warrent, I find stated, -and his remarks are doubtless in the the floors of this House, they should go to Miss Thompson receiving \$73.13, Mr. Thos. memory of many of this House-that the in- work, and, by a committee of seven or eight, Nesbitt \$10, and Mr. John Lister, \$36; and debtedness of the late Government was \$250,- devise some scheme to lessen the expenses of in warrant 1211 another Miss Thompson deficits of the Government. As a matter of ing over the Auditor General's report, fact, sir, the record will show that I curtailed the sale of lands and brought their value up

THE INTEREST ON \$716,000 from the Dominion Government which the old Government never received. I agree with the Provincial Secretary's declaration | Page 9, Wart No. 2, Agr. Report, there will for the purpose of satisfying the moneys secured by the said Indenture of Mort- be unreasonable in their demands for grants gage, default having been made in the payment for this and that service. I agree with him, duly recorded in the Records of the County of Carleton, in Book Y, No. 2 of said Records, in pages 227, 228 and 229, on the twenty-fourth day of November, A. D. 1881, there will for the purpose of satisfying the county of York, aforesaid, on SATURDAY, the interest of the public good. But, sir, the fifth day of June, next, at 12 o'clock, this Government has not so spent it. this Government has not so spent it. They noon, the lands and premises mentioned in the said Indenture of Mortgage, and therein depublic funds, And here let me state, sir. that the bonded indebtedness, concerning which so much have been said, was not the creation of the old Government. It was principally composed of railway subsidies, and the Act creating them was supported by a five links; thence north sixty degrees west fiftyprudently with that character of legislation provided for. they simply showed an anxiety to help along Hon. Mr. Blair.—You think the Capi- more than amazed. I find, sir, that a gentle-

drawning from the Dominion Government. So, Mr. Speaker I am led to think that the Government are commencing this year, and will continue, to reduce that asset by withdrawing from the Dominion Government, and I think in discussing the financial position of the Province last year I then mentioned to the Provincial Secretary the necessity of not bonding so much of the debt, but of withdrawing that portion from the Dominion Government to meet liabilities. He claimed that by taking it out we would lose one per cent., but I notice this year that part of the one per cent. which he claimed we would save by leaving the money on deposit with the Dominion Government, has been swept away, for already they have withdrawn \$75,000 from that source, and in all probability will

disappears. The Provincial Secretary also ANOTHER DAZZLING INDUCEMENT
