industries is estimated to have been \$13,075."

printing: (A) Discontinuing the Royal.

Gazette to justices of the peace and others

(B) Putting up to public competition all printing where it can properly be done. (5) The abolition of grants to agricultural societies, from which your committee is of opinion no benefit is derived corresponding with the amount granted. (6) A very considerable saving may also be effected in the management of the several departments by reduction of staff and confining the expenses of telegrams, postages and centingencies to what is necessary. (7) Your committee feel assured that a large reduction can be made in the contingencies of the House of Assembly and Legislative Council. The total of these amounted last year to over \$6,000 of which we are satisfied one-half can be sayed.

(8) Your committee think that the large is a continuous con (8) Your committee think that the legislation would not suffer by the adoption of Brussels, biennial sessions, and if the efficiency and checks of responsible government can be fully maintained a large saving can thereby be made and failing in this is a fair matter

for consideration whether a saying should not be made by a reasonable reduction in the number of members of both branches of the legislature. (9) The general depression in the lumber trade of the province caused in part by the increased rate of stumpage has engaged the careful attention of your committee, and while they are of opinion that this is a legitimate source from which the government should derive such fair portion of our provincial revenue as may be levied, without crippling the trade, yet they believe that a considerable reduction in the present means of employment to very many of our people who have been obliged virtually to

abandon the trade. Respectfully submitted R. Young, THOMAS R. JONES, A. A. DAVIDSON,

TRUE VALUE

COOK'S FRIEND BAKING POWDER

As compared with two other brands the strengths, only, of which have been published, carefully omitting cost.

1 tin "Royal" costs 60 cts., gives 2,033 cub. in. of Gas, or 34 inches for a cent.

1 tin "Princess' costs 50 cts., gives 2,408 cub. ins. of Gas, or 48 inches for a cent.

2 packets Cooks Friend cost 50 cts., give 3064 cub. ins. of Gas, or 60 inches for

Cooks Friend is therefore 25 per cent. better value than Princess, and 75 per cent.

The purity and healthfulness of Cooks

Cooks Friend may be had from store-

better than Royal.

keepers generally.
