The Proposed Exhibition. A Splendid Meeting of Society Delegates

Meet the Board of Agriculture And Receive Good Encouragement.

A large number af prominent agriculturalists and citizens assembled at the Parliament buildings, Fredericton, last Wednesday afternoon, to discuss matters connected with the holding of an exhibition in Fredericton next fall. When the Board of Agriculture resumed busiess at half-past two, the room was With a face that betrayed not a sign of re- over-crowded and little or no business was done by the board until the exhibition committee was heard. The delegates assembled represented agricultural societies of Victoria, Carleton, York, Sunbury, Queens and Northumberland. At 3 o'clock, the delegation was heard before the board. Mr. Harry Beckwith on behalf of the committee, stated the posed of the committees already appointed, object of the conference. A number of agricultural societies had banded together for the purpose of holding a district exhibition in Prederiction next year, and they had decided to meet the board before taking any decided that the executive committee be requested erally should be more sharply super-If you have a Cough, do not neglect it; exhibition project as being in easy access to premium list at the next general meeting of vised by the Government. buy at once a bottle of Allen's Lung Balsam, the city, were the counties of Queens, Sun-The Supreme Court of the United States, bury, York, Carleton, Victoria, Madawaska, by a majority of seven to one, has sustained Northumberland and Charlotte. Mr. John Reid who was present asked be heard on behalf of the York

County Agricultural Society. The President said if Mr. Reid was a member of the committee with whom the interview had been arranged, he could speak. The Board would hear Mr. Reid at another time if he had any business to present for their consideration.

Adjourned till 7 P. M. WEDNESDAY EVENING.

At the evening session, Board took up the subject of exhibition matters. The general feeling was adverse to the Board holdidg an exhibition of its own as formerly. It was moved by Mr.

Colwell, seconded by Mr. Brown-That the Board recommend the Government to devote the amount to which the Board will be entitled, up to and including 1888, for exhibition purposes to a district exhibition in provided also that the Board will not be considered as assuming any responsibility in connection with the

exhibition. The mover and seconder having spoken Mr. Anderson opposed the motion. Woodstock had held a very \$500 from the Government, in which the Board was not consulted. He was Provincial Exhibitions being devoted to district shows and taken out of the funds of the Board.

Mr. Fairweather moved, seconded by Mr. Anderson in amendment. Resolved,-That it is not expedient at this time to give encouragement to nial exhibitions, appears to have given satisfaction, and further that no guarantee has been given that other sections of the Province will be dealt with in a like manner.

Mr. Inches ably advocated the resolution, showing that the proposed exhibition would be one of great adests of the Province.

Mr. Johnston was opposed to the dispose of for the purposes stated. He was in favor of an exhibition held on the same principle as that at Wooda winning member subscribe to the stock, the societies contributing the Mr. Johnston wished to move in
