FREDERICTON, N. B., October 26, 1887.

The Ouebec Conference.

The news from the Conference of Hon. Mr. McLelan said :local politicians at Quebec, is somewhat meagre, the newspaper reprepresent at the proceedings. We have however, a copy of Mr. Mercier's opening address, in which he deals rather gingerly with the subjects to be congingerly with the subjects to be con- opposition that the same people who gave the Colonial connection when all the adgingerly with the subjects to be con-the majorities against the conservatives in the local election, would give the same ma-not shut our eyes for a moment to the fact the whole matter down, it appears that he desires "boodle," and about the only practical outcome of the Conference will be an increased demand on one of the Conference will be an increased demand on the conference will be a conference with the conference will be a conference with the conference will be a conferen and possibly he may survive the meet- they worked the idea that they were coming ing of the Quebec Conference. Mercier, however, disclaims any intention of designs on the Federal power, but his act in summoning the Conference,

There did the idea that they were coming into power, and would control the governce of this country and dispense the patronage and dispose of the offices. Mr. Jones of Halihave 19 seats out of 21 in Nova Scotia. His Ontario friends called back to Mr. Jones: is open to grave suspicion. There did of the will have a sweeping majority in Onnot seem any particular demand for tario;" and the French liberals in Quebec

travelling by dog trains. He said it was a president and occumied a seat at the head of the troubles of their neighbor.

The was something amusing, as well as profane, in the closing sentences of Mercier's opening address at the Conference. "May Heaven grant's said he "that the result of our labours be the final consecration of the politic oil liberties granted to us by the august sovereign who has this year colobrated the fiftioth anniversary of Her accession to the throne." "Imagine the defender of Riel, the man Mercier who compared the arch rebot our Saviour, whose very political position is due to his insane howling over Riel's corpec, calling upon Heaven to loss his labors and grant a consecration of political liberties as consecration of political liberties of the succession of the throne." "Imagine the defender of Riel, the man Mercier who compared the arch rebot our Saviour, whose very political man and the dissentance of the position is due to his insane howling over Riel's corpec, calling upon Heaven to loss his labors and grant a consecration of political liberties as consecration of political liberties are consecration of political liberties are consecration of political liberties are consecration of the politic of the succession to the throne." Imagine the defender of Riel, the man Mercier who compared the arch rebot to our Saviour, whose very political man developed the initiation of the position is due to his insane howling over Riel's corpect, calling upon Heaven to loss his labors and grant a consecration of political liberties as consecration of political liberties as consecration to political liberties as consecration of political liberties as consecration to the throne." Imagine the defender of Riel, the mean and the dissensating of the idea of the political position is due to his insane howling or the position is due to his insane howling or the position is due to his insane howling or the position is due to his insane howling or the position is due to his insane howling or the position is
