Of failing health, whether in the form of Night Sweats and Nervousness, or in a sense of General Weariness and Loss of Appetite, should suggest the use of Ayer's Sarsaparilla. This preparation is most effective for giving tone and strength to the enfeebled system, promoting the digestion and assimilation of food, restoring the nervous forces to their normal condition, and for purifying, enriching,

and vitalizing the blood. Failing Health. Ten years ago my health began to fail.
I was troubled with a distressing Cough,
Night Sweats, Weakness, and Nervousness. I tried various remedies prescribed
by different physicians, but became so weak that I could not go up stairs with-out stopping to rest. My friends recom-mended me to try Ayer's Sarsaparilla, which I did, and I am now as healthy and strong as ever.—Mrs. E. L. Williams,

I have used Aver's Sarsaparilla, in my family, for Scrofula, and know, if it is taken faithfully, that it will thoroughly eradicate this terrible disease. I have also prescribed it as a tonic, as well as an alterative, and must say that I honestly believe it to be the best blood medicine ever compounded.—W. F. Fowler, D. D. S.,

M. D., Greenville, Tenn. Dyspepsia Cured. It would be impossible for me to describe what I suffered from Indigestion and Headache up to the time I began taking Ayer's Sarsaparilla. I was under the care of various physicians and tried a great many kinds of medicines, but never obtained more than temporary re-lief. After taking Ayer's Sarsaparilla for a short time, my headache disappeared, and my stomach performed its duties more perfectly. To-day my health is com-pletely restored. - Mary Harley, Spring-

I have been greatly benefited by the prompt use of Ayer's Sarsaparilla, It ones and invigorates the system, regulates the action of the digestive and assimilative organs, and vitalizes the blood. It is, without doubt, the most reliable blood

purifier yet discovered — H. D. Johnson, 383 Atlantic ave., Brooklyn, N. ¥. Ayer's Sarsaparilla,
