Mr. Vanwart 20 well spoken of by our contemporary, is a son-in-law of Mr. James
Tibbits of this city.

Justin McCarthy, his opponent,

It has been claimed for years that rats first introduced the terrible trichinæ in swine and then, through fresh pork and bacon, into hudown to make the money. He gave the make the money when he down to make the money in the money when he down to make the money in the money when he down to make the money in the money when he down to make the money when he down to make the money in the money when he down to make the money when the mone bury became close friends away back in 1855, Science News, supports this theory with per- I had no visit from Mr. Vanwart, Had a I told him, in answer to a question, that a when they where known respectively as Sir sonal observations, and cities a number of Stafford Northcote and Lord Robert Cecil. cases showing that dead rats, mice and cats when or where. (The court said he was this?" I said nothing to Woodward about

Bagley was, working at the Queen Hotel, on the King's Ward list. He told me he was a Ladies and Gentlemen: Q. What did he say?

Mr. Wetmore objected to this as Mr. Temman working in the stables or yard of the Blair and his local Government; he has gloriously triumphed over the whole combination of conspirators and slanders, and in the hour of victory he can afford to smile in derison at their machinations.

The Result in New Brunswick.

The Conservatives have come out of the contest in this Province with flying bolors. It is thought will like we day as go, we can their was from Canada, had reference to these in thought will like we for have a great discovered to the screen of the contest in this Province with flying bolors. It is thought will like we should not form the contest in this Province with flying bolors. It is thought will like we should not form the contest in this Province with flying to be a great of the contest in this Province with flying bolors. It is thought will like we should not form the contest in this Province with flying bolors. It is thought will like we should not form the contest in this Province with flying bolors. It is thought will like we should not form the contest in this Province with flying bolors. It is thought will like we have a great disposance of the fishery question, which the sacens as produced as a possible that the claimed so large a share of their lives.

The sold of here takes the tables unsightly and worn.

The godfish is particularly valuable because that the late of the concession will have done in the share a state of the tender of the contest in the last Partiagenet, but the diament as employing that the would vot for we went out as finite them to a successful conclusion will have done in the same of Coyle. I saked thin if these mans of Coyle. I saked thin if these mans of Coyle. I saked thin if the man of Coyle I sake from t voters for King's Ward. I told him I had.

and do what I had promised to do, I said I said on this subject. They then passed on and discussed questions involved in the elecclined to lean to the Conservative party, that he had no time to talk to him, but that he prove these assertions under oath.

election without money and without rum was Hazen said he was going out of town at in ludicrous contrast with their conduct in noon that day. I said I wanted the money. 1884. Then they displayed no such soliciness on the part of the Liberals of York to

Mr. Hazen had been down and fixed that presented. The conclusion the Gregory party wished to enforce on the public mind, was Mr. Temple said that was all right, he had that Mr. Temple had gone to Woodward's seen Hazen on the day he was speaking to store for the purpose of bribing him. This me and told him to come down and see me was false and he wished an opportunity to or to fix it with me. I don't know which. prove it so. It was not so many years ago On Feb. 7th inst., I got some money. Mr. since Mr. Gregory's partner, Mr. Blair, bad Hazen did not give it to me. I got it in an been obliged to resign his seat in the local envelope. The amount was \$25 in \$5 bills. house on account of the indiscretion of his Two \$5 bills of the Bank of Montreal, one \$5 friends. If Mr. Temple was to be blamed bill of the Bank of New Brunswick, one \$5 now, on this ex parte evidence, what must be bill of the Maritime Bank, and one \$5 bill of said of the conduct of the present Attorney

General. One thing had been distinctly The envelope was laid on my desk in my proved, and that was that the proposition about the money and the alleged bribe came from Woodward in the first place. The Court refused to allow Mr. Temple to give evidence on his own behalf, and Mr. Temple was then asked to plead. To this he replied in the following words: "I am not guilty of this charge. I never offered Mr. Woodward any money, or bribe or anything in that shape. I made no attempt to

bribe him. Neither did I authorize any one on my behalf to pay or bribe Mr. Woodward Mr. Temple was then committed for trial in the County Court which opens on March loth, and Justice Perley adjourned his court.
