A terrible cough soon followed, accompanied by pains in the chest, from which I suffered intensely, After trying various remedies, without obtaining relief. I contracted a severe cold, which suddenly developed into Pneumonia, presenting dangerous and obstinate symptoms. My physician at once ordered the use of Ayer's Cherry Pectoral. His instructions were followed, and the result was a rapid and permanent cure.—II. E. Simpson, Rogers Prairie, Texas.

Two years ago I suffered from a severe Cold which settled on my Lungs. I consulted various physicians, and took the medicines they prescribed, but received only temporary relief. A friend induced me to try Ayer's Cherry Pectoral. After
