The Dominion Cotton Association held its annual meeting at Montreal Thursday. All the mills were represented except Gibson's of Marysville, N. B. Some alterations in prices were made and advances of one cent a pound on tucks, half a cent a pound on grey cottons and a quarter of a cent on white cottons agreed on. Business was said to be improving and dividends of from 6 to 8 per of the said root have died since the 1st of June.

WONDERFUL! BETWEEN eight and ten years ago, a medicine was introduced to the public, and suffering humanity was invited to try the same.

The proprietor knew from experience, that success was certain, but the human breast bued with prejudice that it forms one of the strongest barriers to break down and the greatest enemy to overcome before any headway can be made towards the mansion of success. Truth has often proved itself to be "stranger than fiction," and it is a fact as solid as truth that SMITH'S CHAMOMILE PILLS have now become one of the leading Patent Medicines of the present day, from north to south, and from east to west, they are to be found in the homes of the rich and poor. All classes of society use them, and they are by thousands declared to be Worth thetr Weight in Gold

For a Weak Stomach, Impaired Digestion, and all disorders of the Liver, they act like "MAGIC," and a few doses will be found to work wonders on the most important organs in the human machine. They strengthen the whole muscular system, restore the long-lost complexion, pring back the keen edge of appetite, and arouse into action, with the rose-bud of health, the whole physical energy of the human frame. These are "facts" admitted by thousands, embracing all classes of society; and one of the best guarantees to the nervous and debilitated is, Smith's Chamomile Pills have the largest sale of any Patent Medicine in the Dominion.

Directions for taking Smith's Chamomile Pills, If the bowels are costive, the countenance sallow and the tongue furred, take 3 or 4 pills on going to bed; if they do not operate in ten hours, then take two more afterwards. Take one pill every (or every other night), just enough to keep the bowels gently moved. For ordinary Billious Complaints one or two doses are sufficient. These pills act on the system very similar to blue pills, or blue Mass, but do not contain the least particle of mercury or calomel.
