MR. WALTER McFARLANE. IS A MANUFACTURER who is not content to keep using the same old tools and work in the same old way, but every year makes it his duty to go west and south, and visit the best factories in Ontario and the Eastern States.

On his last observation trip, Mr. McFarlane stopped over at Gannanoque, Ontario. He will tell you many interesting and to us satisfactory things of what he saw there, if you ask him. This is what he gave us for publication:

DEAR SIRS: In answer to your inquiries about the Gannanoque Carriage Co., I beg to say that I spent two days at Gannanoque last October, and was quite surprised at the magnitude of their factory, and the very thorough and skilful way in which all work is done there.
