FREDERICTON, N. B., August 31, 1887

Gregory and the Protest.

Mr. George F. Gregory is out with another treatise on Tory corruption, peg, and assist, if necessay, in prevent- ary 1st. and further threats that he will push his protest against Mr. Temple. Mr. Gregory may rest assured, that all his heartily at the success of his invenblow does not effect Mr. Temple or tion and the gullibility of some peothe Conservative party, one iota. He ple. Even to the British House of can proceed with his protest just as Commons the falsehood has reached, soon as he likes, and he may rest as- and enough of credence attached to it sured, that the object he seeks, will to induce Sir Henry Tyler to ask Sir Henry Holland, the Colonial Secrenot be attained.

Mr. Gregory very truly says that tary, whether the Government has any "Mr. Temple is not being persecuted information on the subject. The anby the liberal party of this county." swer might have been anticipated. fisherman, whom he had educated. Why everybody knows that. It is only George F. Gregory and one or two other sore heads who are persecuting good reason that no such purpose was tives will try to have him disqualified. ever entertained by Sir John Macdon-Mr, Temple. What they are after, ald. The whole story is a fabrication everybody knows. One would think from beginning to end, one of those that Geo. F. Gregory would seek obscurity, rather than brazen it out as he has done, after two such defeats as Mr. Temple has administered to him, He can never get into Parliament. He can never be anybody, more than he is, a disagreeable, disappointed, disjointed disturber. The Grit party in this county would never take him up again. He is politically dead and buried. His adherence would mean defeat and disaster to any party, and the sooner he telligible. An insurrection, the revolt recognizes the immeasurable distance between himself and further glory or position, the better it will be for his of the courts, might require in Canada, own peace of mind, and for the community.
