#### The Jubilee Celebration.

Fredericton after all, thanks to the energy of Lady Tilley, will have a jubilee celebration on the 21st. The programme as finally decided upon, will include the laying of the corner stone of the Victoria Hospital by Lady dren perished in the flames. Tilley, followed by addresses from Sir Leonard Tilley, Lieut. Governor, Hon. A. G. Blair, Premier and Attorney General, a parade on the same occasion of the local military, and the various city societies, a military review, the grand bazaar in the Parliament Buildings, a march out of the Fredericton and St. Mary's firemen, and a fine display of fire works. This programme will pretty well cover the day, and afford amusement and pleasure to our citizens and the large number of strangers who will come to Fredericton. If our celebration is not on so grand a scale as those of other cities, we shall be able to boast of its permanent character. The Victoria contains contributions from Prof. C. G.
