Sore Eyes

The eyes are always in sympathy with the body, and afford an excellent index of its condition. When the eyes become weak, and the lids inflamed and sore, it is an evidence that the system has become disordered by Scrofula, for which Ayer's Sarsaparilla is the best known remedy. Scrofula, which produced a painful in-flammation in my eyes, caused me much suffering for a number of years. By the advice of a physician I commenced taking Ayer's Sarsaparilla. Mrs. William Gage, Concord, N. H. For a number of years I was troubled with a humor in my eyes, and was unable to obtain any relief until I commenced using Ayer's Sarsaparilla. This medicine has effected a complete cure, and I believe it to be the best of blood purifiers.— C. E. Upton, Nashua, N. H.

From childhood, and until within a few months, I have been afflicted with Weak and Sore Eyes. I have used for these complaints, with beneficial results, Ayer's Sarsaparilla, and consider it a great blood purifier. — Mrs. C. Phillips, Glover, Vt. I suffered for a year with inflammation in my left eye. Three ulcers formed on the ball, depriving me of sight, and

causing great pain. After trying many other remedies, to no purpose, I was finally induced to use Ayer's Sarsaparilla, and, By Taking three bottles of this medicine, have been entirely cured. My sight has been restored, and there is no sign of inflammatlon, sore, or ulcer in my eye. — Kendal T. Bowen, Sugar Tree Ridge, Ohio.

During the last two years she never saw light of any Physicians of the highest standing exerted their skill, but with no permanent friend I purchased a bottle of Ayer's Sarsaparilla, which my daughter commenced taking. Before she had used the third bottle her sight was restored, and she can now look steadily at a brilliant light without pain. Her cure is complete. - W. E. Sutherland, Evangelist, Shelby City, Ky.
