It would be quite as fair to accuse Major Staples of shirking his duty as it was to accuse me. The accusation is false and untrue, and although it has been recommended. He accepted the result and bowed to the verdict of the people, at least for the present. He disclaimed any knowledge of the plet to entrap Mr. Temple regarding the bribery businees, but this declaration was received with a large amount of incredulity by the crowd. Mr. Gregory entered into an elaborate course of reasoning to account for his defeat, and was in very bad temper during the delivery of his speech.

Conceived a vile and detestable plot, formed a mean and contemptible conspiracy with John Woodward, to act the part of Judas Iscariot, (Applause and langther.) only I think when he assumed that role he did, or has done, that person a rank injustice, because Judas had the decency to go out and hang himself, while it is doubtful if John Woodward that he (Temple) would send Hilyard or myself to see Woodward. He did not tell me that Woodward wanted money for his vote. This afternoon, early in February, I was sitting in my office.

Mr. Black and Mr. Blies came in and said that Mr. Temple wished to see me. I went temper during the delivery of his speech.

BETWEEN eight and ten years ago, a medicine was introduced to the public, and suffering humanity was invited to try the same.

The proprietor knew from experience, that success was certain, but the human breast so imbued with prejudice that it forms one of the strongest barriers to break down and the greatest enemy to overcome before any headway can be made towards the mansion of success. Truth has often proved itself to be "stranger than fiction," and it is a fact as solid as truth that SMITH'S CHAMOMILE PILLS have now become one of the leading Patent Medicines of the present day, from north to south, and from east to west, they are to be found in the homes of the rich and poor. All classes of society use them, and they are by thousands declared to be Worth their Weight in Gold For a Weak Stomach, Impaired Digestion, and all disorders of the Liver, they act like "MAGIC," and a few doses will be found to work wonders on the most important organs in the human back the keen edge of appetite, and arouse into action, with the rose-bud of health, the whole physical energy of the human frame. These are "facts" admitted by thousands, embracing all classes of society; and one of the best guarantees to the nervous and debilitated is, Smith's Chamomile Pills have the largest sale of any Patent Medicine in the Dominion.
