CLAIRVOYANT PHYSICIAN

H IS marvelous power whilst in trance of discribing the physical condition and disease of a patient, either personally or by lock of hair with such unfailing accuracy, is remarkable.

All Hair may be sent from any distance by letter, and should be cut close to the head, and not handled if possible by any person but the patient. Most of his patients have been from the higher walks in life, having been consulted by two of our Lieutenant Governors and several members of the Legislative Council and Assembly, also Ministers, Judges, Lawyers, Government Officials and leading business men of this City and Province. But in order to reach a class that could not pay his former price of \$5.00 for one examination and prescription, he felt it advisable to reduce the fee to \$2.00. Patients unable to attend personally, can have lock of their Hair brought ir or sent by letter, (with fee) and thus ascertain the condition of a patient their Hair brought ir or sent by letter, (with fee) and thus ascertain the condition of a patient and avoid the expense of sending for Doctors at a distance. His remedies are simple and mostly composed of herbs, a great many of which can be gathered in the country.

Inclose \$2.00 with lock of Hair giving name and address, and I will give you an examination and prescription, or examination \$1.00.

Examination personally or by Hair, 50 cents, or by Hair sent by letter with fee, \$1.00.

Of failing health, whether in the form of Night Sweats and Nervousness, or in a sense of General Weariness and Loss of Appetite, should suggest the use of Ayer's Sarsaparilla. This preparation is most effective for giving tone and strength to the enfeebled system, promoting the digestion and assimilation of food, restoring the nervous forces to their normal condition, and for purifying, enriching, and vitalizing the blood.

Failing Health. Ten years ago my health began to fail. I was troubled with a distressing Cough, Night Sweats, Weakness, and Nervousness. I tried various remedies prescribed by different physicians, but became so weak that I could not go up stairs without stopping to rest. My friends recommended me to try Ayer's Sarsaparilla, which I did, and I am now as healthy and strong as ever.—Mrs. E. L. Williams, Alexandria, Minn.

I have used Ayer's Sarsaparilla, in my family, for Scrofula, and know, if it is taken faithfully, that it will thoroughly eradicate this terrible disease. I have also prescribed it as a tonic, as well as an alterative, and must say that I honestly believe it to be the best blood medicine ever compounded.—W. F. Fowler, D. D. S.,

#### M. D., Greenville, Tenn. Dyspepsia Cured.

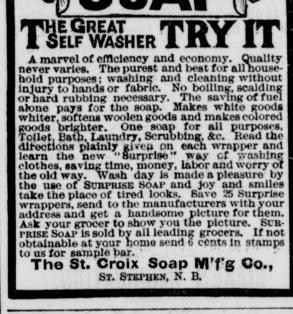

It would be impossible for me to describe what I suffered from Indigestion and Headache up to the time I began taking Ayer's Sarsaparilla. I was under the care of various physicians and tried a great many kinds of medicines, but never obtained more than temporary re-lief. After taking Ayer's Sarsaparilla for a short time, my headache disappeared, and my stomach performed its duties more perfectly. To-day my health is completely restored. — Mary Harley, Spring-

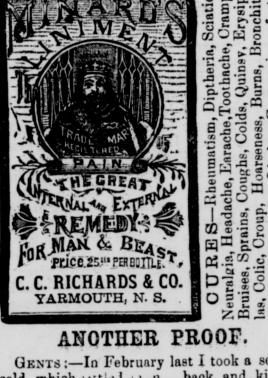

I have been greatly benefited by the prompt use of Ayer's Sarsaparilla. It ones and invigorates the system, regulates the action of the digestive and assimilative organs, and vitalizes the blood. It is, without doubt, the most reliable blood purifier yet discovered.—H. D. Johnson, 383 Atlantic ave., Brooklyn, N. Y.

The reduction of internal revenue and the taking off of revenue stamps from Proprietary Medicines, no doubt has largely benefitted the consumers, as well as relieving the burden of home manufacturers. Especially is this the case with Green's August Flowers and Boschee's German Syrup, as the reduction of thirty-six cents per dozen, has been added to increase the size of the bottles containing

these remedies, thereby giving one-fifth more medicine in the 75 cent size. The August Flowers for Dyspepsia and Liver Complaint, and the German Syrup for Coughs and Lung troubles, have perhaps, the largest sale of any medicines in the world. The advantage of increased size of the bottles will be greatly appreciated by the sick and afflicted, in every town and village in civilized countries. Samples bottles for 10 cents remain the
