Mr. Frank W. Dowling, a Fredericton boy, majority is 139. now in the service of the C. P. R. Telegraph Samuel Stepl Co., at Vancouver, has the FARMER's thanks for late B. C. papers. The ladies of Lower St. Marys are to hold

a farmer's supper and dance in the Jubilee hall there to-morrow evening. Suppar will be served from 6 till 9 o'clock. The steamer Acadia of the Union Line

collided with one of the railway bridge piers. Thursday morning while passing the draw and received injuries that have laid her aside Mr. E. H. Allen is at Moncton to-day, at-

tending the annual meeting of the Maritime had a fire Saturday morning that destroyed regular delegate of the Fredericton club number of private dwellings. having been unable to be present. The death of Henry Strange, a York

county man, living at Seattle, Washington territory, is announced, but no particulars have been received. He was here in the summer of 1886 on a visit to his friends. Mr. W. H. Quinn has received word from the P. O. Department, Ottawa, that the peti-tion from up-town residents to have a letter

box erected at the corner of Brunswick and Westmorland streets has been acceded to, and the box will be placed there at once. Joseph Walker is now prepared with a very choice stock of Fall and Winter cloths to select from, to make up clothing of every description at short notice and in the latest

fashion, for all who may favor him with their patronage. Read his advt. Echoes of the races-Blackbird and Rattler trotted at the Park Wednesday afternoon, the latter winning, and Friday afternoon John McCoy's DeBary outfooted Eimo and Rattler, best time 2.32. Not much interest was taken in either event.

In fitting up the piano wareroom for Messrs. Johnston & Co., Mr. J. L. Inches has made extensive improvements. A new plate glass front has been put in, the floor lowered to the level of the sidewalk, and a double of the firm's Queen St. premises. When the painters have finished their work and the pianos are moved in, musical people will find the painters have finished their work and the pianos are moved in, musical people will find the pianos are moved in, musical people will find the pianos are moved in the pianos are moved this room a very pleasant place to visit.

carboning an electric lamp, the latter receiving some slight injuries. The matter was to have come up in the police court, but was constructed the murder was the result of a drunken quarrel. The condemned man is only 24 years old and belongs to a respectable 2,200 yards. have come up in the police court, but was settled this morning, White not pressing the charge, but Pte, Williams of the I. S. C., who Sir Morrill McKen. got mixed up in the affair, was fined \$10 for tory of his treatment of the late Emperor of ers sailed last week for home. They expressflourishing a revolver.

St. Leonard's Madawaska County. Pians can be seen at Supervisor Christopher Par rent's, St. Leonards. Tenders will also breceived until the 2nd November, for rebuilding the Missiquash Bridge, Sackville, Westpaper and a hundred thousand copies were reverend" and a clergyman as a "reverend," morland County, according to plan and specification to be seen at Joseph L. Black's, M. P. P., Sackville.

Saturday's Progress published an admirable sketch of Chief Justice Allen accompanied by an excellent portrait of His Honor which is reproduced in the FARMER to-day. Porpages of our most welcome contemporary. Fredericton feels a most kindly interest in Progress which almost every issue gives a prominent place to matters of local interest.

Writing of Mr. Patrick Lockhard of Milthe Parish, and though like many others of his fellows coming in when the outlook was not so bright as it is now, has gradually made friends and accumulated a fair share of this world's goods. Now we look up to him as one of the leading men of the place, and hope soon to see him rise higher in the esteem of his supporters in political life.

A Fredericton lady Mrs. Hobart Hare, daughter of Mr. William A. Clarke and sister of Mr. John A. Edwards, has fallen a victim to the yellow fever at Jacksonville, Florida. The sad news reached here Monday, Mrs. Hare having died on the 7th inst., after less than a week's illness. Mrs. Hare will be kindly remembered by many in Fredericton as a bright and vivacious woman warmly endeared to her family and friends. With her husband she has been a resident of Jacksonville for about fourteen years.

Mr. C. H. Lugrin is the possessor of a freak of nature that attracts a great many visitors day morning lying cold and stiff upon his grapher. to his grounds, the wonder being in the shape office floor. He was last seen alive at a quar-of a birch tree that grew and developed into a most peculiar form. It has the outlines of wards, as was his custom, he must have proa quadruped, but just what kind it is pretty ceeded to the safe to put away his books and hard to decide. A rear view suggests an cash, and when in the act of closing the door, elephant while looking at it from the front fell in an apoplectic fit upon the floor. Lauratta Wing, New Dundee, Waterloo Co., the general contour is that of a pig. It stands When his body was found by the janitor about five feet high, has natural looking legs, Friday morning there was a mark upon his tail, a head and many other features of an temple where his head struck the corner of animal. This funny specimen, is from the Madaweska forests, which was sent to Mr. Lugrin by Mr. P. O. Byram.

The third anniversary services of the Salvation Army in this city were very largely | Angers. Mayor Abbott being absent in day evening was well patronized. Capt. | ning woke up with the exclamation, "That's Jewer in his address gave his warmest thanks enough French. Cut it short, I'm tired.' abundantly supplied the good things for the quickfy subsided, while a conple of aldermen tables. The Gypsey Jingle Band headed the march on Monday evening and was the attraction of a large crowd of followers.

A gentleman warmly interested in church work, and who believes that church collections do not sufficiently represent the individual members of the congregation, hands the following to the FARMER for publication : "In an address at the World's Missionary Conference, Dr. Pierson, urging reforms in church life and methods, said we must cease to depend upon the donations of the rich. I is allke harmful to them and to the church. God never meant that with such wealth of divine promises we should appeal to the rich. and especially the worldly wealthy for money for the kingdom. Such appeals discount our faith, dishonor our Lord and humiliate thchurch, while they inflate the rich with selfrighteous conceit and complacence as patrons of the cause of God. Let there be a Bible the agreement being that the bonds should Keswick, York Co. type of systematic and proportionate giving be placed on the English market at not less than 90 per cent, of the par value, of which church would overflow with voluntary gifts of disciples."

PRAISEWORTHY. "Last summer I was entirely laid up with | terest, and the remaing 17 cents was to be | County.

—BY—

For some years we have felt the need of adding a line of business which would give employment to our Agents and Salesmen in the winter season.

This Fall we decided to add the PIANO business to our list, hoping by it to accomplish the end in view.

After carefully investigating the merits of the several Pianos made in Canada—without reference to cost seeking those which showed the finest qualities of purity and richness of tone, and quick and responsive touch, and with evidence of Beaver, Naps. good and careful mechanical construction, we selected those made by

For use at Windsor Castle,

The Rt. Hon. Sir Charles Tupper, Bart., High Commissioner for Canada, selected and purchased a WIL-LIAMS PIANO for use in his London mansion.

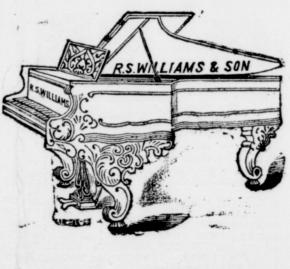

Musicians of ability and eminence, have given strong testimonials to Messrs. R. S. Williams & Son, certifying to the excellence of their instruments.

We believe that the selection we have made, will receive the cordial approval of the cultivated musicians and competent judges in Fredericton and throughout the Province, and a large business result therefrom.

We will be prepared to show these instruments in our Special Piano Wareroom, now being fitted up for us by Mr. J. L. Inches, in his York Street building, within the month, and be able to offer the most advantageous terms to cash buyers, and to obtained by Contractors on personal application.

In the case of firms there must be attached the the installment plan.
