Notice of Sale.

To James K. PINDER of the Parish of Southampton, in the County of York, and Province of New Brunswick, Millman, and MARY ANN, his wife, Messieurs H. Shorey & Co., of Montreal, Merchants, and to all others whom it

NOTICE is hereby given that by virtue of a power of sale contained in an Indenture of Mortgage, bearing date the fitteenth day of June, one thousand eight hundred and eighty, made between the said James K. Pinder and Mary Ann, his wife, of the first part, and Lewis J. Almon and Thomas Maclellan, both of the City of St. John, in the said Province, Esquires, Executors and Trustees of the last Will and Testament of Robert Robertson, late of the town of Portland, in the said City and County of Saint John, Esquire, deceased, of the second part, and recorded in the office of the Registrar of Deeds for the said County of York, by the No. 30804, in Book N 3, pages 666 to 671, on the 22nd June, A. D., 1880, there will for the purpose of satisfying the moneys secured by the said Mortgage, (default having been made in the payment thereof), be sold at Public Auction on FRIDAY, the fifth day of October next, at eleven of the clock in the forenoon, in front of the County the clock in the forenoon, in front of the County Court House, in the said City of Fredericton, the lands and premises in the said Indenture of Mortgage, described as follows:— "All that certain piece or parcel of land situate, lying and being in the said Parish of Southampton, on which the said James K. Pinder now resides, described as follows:—Commencig on the easterly side of the main Nackawickac stream, where the extension of the southerly tine of lot Number three (3), South Range, Temperance Vale Settlement, at present in the occupation of one John Hammond, would strike the said side of the said stream, thence down the said Nackawickac stream on its easterly bank, dill it comes to a point opposite the mouth of McCallum Brook, so called, thence crossing the said Ncakawickac stream and following said McCallum Brook up its centre till it comes to the main Post road leading into the Temperance Vale Settlement; thence running north eighty (80) degrees west, or parallel to the said souther! ine of lot number three (3) aforesaid, until reaches a point on the extension north fifty (50)

degrees east of Cliff's westerly line, thence north atty (50) degrees east on such extension till i strikes the said southerly line of lot Number three [3] afores id, and thence south eighty [80 degrees east along the said southerly line of lot and its extension on the same course crossing the Nackawickac stream aforesaid to the place of beginning containing by estimation four hundred [400] acres more or less; also one acre on the easterly side of the said Nackawickac stream. beginning at the easterly end of the bridge oppo site the mill on the land above described, and running back south easterly ten [10] rods; thence outhwesterly and parallel to the stream sixteen [16] rods; thence northwesterly ten [10] rods to he stream, and thence up stream sixteen [16] rods or to the place of beginning; the two tracts of land abovo described being parts of the lands conveyed to one Richard R. Carvill by Robert Hay and wife by Deed dated 4th January, A. D. \$1870, and by the said Robert Hay conveyed to the said James K. Pinder by Deed dated 10th May, A. D. 1871, together with the saw mill, known as 'The Pinder Mill,' and other the dwelling houses and buildings thereon standing and being and with the erections and improve-

ments thereon, and the rights, members, privileges and appurtenances thereunto belong-There will also be sold at Public Auction at the time and place aforesaid, the property mortgaged by a certain Bill of Sale, bearing date the fitteenth day of June, A. D. 1880, and made between said James K. Pinder of the one part, and the said Lewis J. Almon and Thomas Maclellan, as Executors and Trustees as aforesaid of the other part, and filed in the Office of the said Registrar of Deeds for the said County of York, oy the No. 1052, on the 22nd June, A. D. 1880, efault having been made in payment of the noneys thereby secured, the said property being in the said Bill of Sale described as "All the Machines and Machinery of every nature and lescription of what kind soever; belts, saw mill gear, tools, implements and chains belonging to and being in, upon or about the water power saw mill known as 'The Pinder Mill,' situate in the said Parish of Southampton in the said County of York."

Dated the 23rd day of August, A. D. 1888. LEWIS J. ALMON, THOMAS MACLELLAN. by LEWIS J. ALMON, his Attorney, Executors and Trustees of the last Will and Testament of the late Robert Robertson.

Notice to Contractors.

SEALED TENDERS, addressed to the under-signed and endorsed "Tenders for the St. Lawrence Canals," will be received at this office until the arrival of the eastern and western mails on Tuesday, the 25th day of September next. for the construction of two locks and the deepening and enlargement of the upper entrance of the Galops Canal. And for the deepening and enlargement of the summit level of the Cornwall Canal. The construction of a new lock at each of the three interior lock stations on the Cornwall canal between the Town of Cornwall the channel way of the canal; construction of A map of each of the localities together with

plans and specifications of the respective works, can be seen on and after Tuesday, the 11th day of September next, at this office for all the works, and for the respective works at the following For the works at Galops, at the Lock-keeper's House, Galops. For deepening the summit level of the Cornwall Canal, at Dickenson's Landing; and for the new locks, &c., at lock-stations Nos 18, 19 and 20, at the Town of Cornwall. Printed forms of tender can be obtained for the respective works at the places mertioned. In the case of firms there must be attached the actual signatures of the full name, the nature of he occupation and residence of each member of the same and further, a bank deposit receipt for the sum of \$6,000 must accompany the tender for the Galops Canal Works, and a bank deposit receipt for the sum of \$2,000 for each section of the works on the summit level of the Cornwall

Canal; and for each of the lock sections on the Cornwall Canal a bank deposit receipt for the sum The respective deposit receipts—cheques will not be accepted—must be endorsed over to the Minister of Railways and Canals, and will be forleited if the party tendering declines entering into contract for the works at the rates and on the terms stated in the offer submitted. The deposit receipts thus sent in will be returned to the respective parties whose tenders are not

accepted.
This Department does not, however, bind itself By Order, A. P. BRADLEY,
