Mrs. Alex. Thompson of Nashwaaksis, lost a gold watch worth over \$150.00, on Monday the 17th inst. She left by the morning train for Boston, and it was he intention to make a present of this watch to her son who now lives in St. Louis. Mrs. Thompson missed the watch when she got on board the train, Mr. John Taylor, an employee on the N. B. Railway, found the watch in the snow in front of the Fredericton station, and, learning Mayor Hazen, Chief Engineer Lipsett, Capt. Rutter and Capt. Hawthorn, have each received from the members of the Halifax Union Engine Company, who took part in the firemens' celebration here July 1st, an excellent photographic group of the visitors. It is an excellent likeness, and the recipients are much pleased. The Halifax boys evidently appreciated the Farmer's remarks on their appearance and deportment while here, for they quote our paragraph and frame it with the pictures.

In matter now agitating our people he would be well pleased. (Applause).

Mr. Lemont made a forcible address on the necessity of united action in reference to the Short Line question. He thought the reelection of Mayor Hazen would do much towards securing that great boon for Fredericton. (Applause).

The delegation decided to present a largely signed requisition to his worship pointing out that his re-election would meet with the approval of almost all our citizens. Committees of the most prominent men on the of Mrs. Thompson's loss, returned it to her.
