**Miscellaneous**  
It is quite right for a lecturer to be full of his subject, but not when he lectures on whistery.  
A St. Louis undertaker says, that by dining now a man can save money, as the cost of a respectable interment was never so low.  
A minister who performed the marriage ceremony for a seaman the other day, is now housing to his fellow-divines that he knows how to tie a sailor's knot.  
Why is a clock the most modest thing in creation? Because it always keeps its hands before its face, and, however well it goes, is always running itself down.  
Holloway's Corn Cure destroys all kinds of corns and warts, root and branch. When then would you cure them with such a cheap and effectual remedy within reach?  
Francis Murphy, who has been laboring in the temperance field for twelve years, estimates that 14,000,000 persons have signed his pledge under his crusade.  
The harsh, drastic purgatives, once deemed so indispensable, have given place to milder and more skillfully prepared laxatives; hence the great and growing demand for Ayer's Pills. Physicians everywhere recommend them for constiveness, indigestion, and liver complaints.  
"Doctor," said a gentleman to his pastor, "how can I best train up my boy in the way he should go?" "By going that way yourself," blandly replied the pastor.

**Consumption Cured.**  
An old physician retired from practice, having had placed his hands by an East Indian missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and other diseases of the throat and lungs. Accused by this motto add a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp naming this paper W. A. NOYES, 140 Power's Block, Rochester, N. Y. - 1 yr., 50c.

**Consumption Surely Cured.**  
To THE EDITOR:  
Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption if they will send me their Express and P. O. address.  
Respectfully,  
Dr. T. A. SLOCUM,  
37 Yonge Street,  
Toronto, Ont.
